Section 304 Initial Modes and Interest Rates; Change of Mode

A. The first Interest Period for the Bonds shall commence on the date of their original issuance in the Daily Mode at the initial interest rate set forth in the Purchase Agreement and the first Interest Payment Date for the Bonds initially issued in the Daily Mode shall be the first Business Day of the month following the date of delivery of the Bonds.

B. Bonds in any Mode, other than the Fixed Rate Mode, may be changed to any other Mode at the times and in the manner hereinafter provided. All Bonds must be in the same Mode. While the Bonds are in a Unit Pricing Mode, the Bonds may bear interest at different rates at the same time. While Bonds are in a Daily Mode, a Weekly Mode, a R-FLOATs Mode, a Term Rate Mode, the Fixed Rate Mode (subject to Section 308) or an Auction Mode, all Bonds shall bear interest at the same interest rate. Subsequent to such change in Mode (other than a change to the Fixed Rate Mode), the Bonds may again be changed to a different Mode at the times and in the manner hereinafter provided. The Fixed Rate Mode for the Bonds shall be in effect until the Maturity Date of the Bonds, and may not be changed to any other Mode.

Section 305 Determination of Unit Pricing Rates, Purchase Date and Interest Periods During Unit Pricing Mode.

A. Interest Periods during a Unit Pricing Mode shall be of such duration of from one to 270 calendar days, ending on a day immediately preceding a Business Day or the Maturity Date, as the Remarketing Agent shall determine in accordance with the provisions of this Section 3.05. On each Rate Determination Date, the Remarketing Agent shall select for each Bond then subject to such adjustment the Interest Period which would result in the Remarketing Agent being able to remarket such Bond at par in the secondary market representing the lowest

interest rate then available and for the longest Interest Period available at such rate. If on any Rate Determination Date, the Remarketing Agent determines that current or anticipated future market conditions or anticipated future events are such that a different Interest Period would result in a lower average interest cost with respect to such Bond, then the Remarketing Agent shall select the Interest Period that, in the judgment of the Remarketing Agent, would permit such Bond to achieve such lower average interest cost. If the Remarketing Agent has received notice from the City that any Bond is to be changed from the Unit Pricing Mode to any other Mode or is to be purchased in accordance with a mandatory purchase pursuant to Section 318, the Remarketing Agent shall, with respect to such Bond, select Interest Periods which do not extend beyond the Mandatory Purchase Date.

B. On or after 4:00 p.m. New York City time on the Business Day next preceding each Rate Determination Date for Bonds in the Unit Pricing Mode, any Holder of such Bonds may telephone the Remarketing Agent and receive notice of the anticipated next Interest Period(s) and the anticipated Unit Pricing Rate(s) for such Interest Period(s).

C. By 12:30 p.m. New York City time on each Rate Determination Date, the Remarketing Agent, with respect to each Bond in the Unit Pricing Mode which is subject to adjustment on such date, shall determine the Unit Pricing Rate(s) for the Interest Periods then selected for such Bond and the Purchase Date and shall give notice by Electronic Means to the Tender Agent of the Interest Period, the Purchase Date(s) and the Unit Pricing Rate(s).

D. By 1:00 p.m. New York City time on each Rate Determination Date, the Remarketing Agent shall apply for and obtain CUSIP numbers for each Bond in the Unit Pricing Mode (which the Tender Agent will promptly assign pursuant to Section 325(A)(4)) for which a Unit Pricing Rate, a Purchase Date and Interest Period have been determined on such date and notify the Remarketing Agent of such assignment by Electronic Means.

E. By acceptance of any Bond during a Unit Pricing Mode, the Holder thereof shall be deemed to have agreed, during each Interest Period, to the Unit Pricing Rate (including the Alternate Rate, if applicable), Interest Period and Purchase Date then applicable thereto and to have further agreed to tender such Bond to the Tender Agent for purchase on the Purchase Date at the Purchase Price.

Section 306 Determination of Interest Rates During the Daily Mode, the Weekly Mode and the R-FLOATs Mode.

A. Method of Determining Interest Rates. Interest on any Bonds in the Daily Mode, Weekly Mode or R-FLOATs Mode (except during any Non-Remarketing Period for an R-FLOAT Mode, in which case interest shall accrue at the Maximum Rate pursuant to subsection (F) of this Section 306) shall accrue at the rate of interest per annum determined by the Remarketing Agent on and as of the Rate Determination Date as the minimum rate of interest which, in the judgment of the Remarketing Agent under then-existing market conditions, would result in the sale of such Bonds on the Rate Determination Date at a price equal to the Purchase Price. Such determination shall be conclusive and binding upon the City, the Paying Agent, the Tender Agent, the Credit Facility Provider (if any), the Liquidity Facility Provider (if any), the Remarketing Agent and the Holders.

B. Determination Time for Daily Rate. During the Daily Mode, the Remarketing Agent shall establish the Daily Rate by 10:00 a.m. New York City time on each Business Day and shall give notice to the Paying Agent of each Daily Rate established by the Remarketing Agent by 1:00 p.m. on each Business Day by Electronic Means. The Daily Rate for any day during the Daily Mode which is not a Business Day shall be the Daily Rate established on the immediately preceding Business Day. The Remarketing Agent shall make the Daily Rate available by telephone to any Holder or the City, the Paying Agent, the Tender Agent, the Credit Facility Provider (if any) or the Liquidity Facility Provider (if any). On the last Business Day of each month, the Remarketing Agent shall give notice to the Paying Agent of the Daily Rates that were in effect for each day of such month by Electronic Means.

C. Determination Time for Weekly Rate. During the Weekly Mode, the Remarketing Agent shall establish the Weekly Rate by 10:00 a.m. New York City time on each Rate Determination Date. The Weekly Rate shall be in effect (1) initially, from and including the first day the Bonds become subject to the Weekly Mode to and including the following Tuesday and (2) thereafter, from and including each Wednesday to and including the following Tuesday. The Remarketing Agent shall make the Weekly Rate available (i) after 10:00 a.m. New York City time on the Rate Determination Date by telephone to any Holder or the City, the Paying Agent, the Tender Agent, the Credit Facility Provider (if any) or the Liquidity Facility Provider (if any) and (ii) by Electronic Means to the Paying Agent not later than the second Business Day after the Rate Determination Date.

D. Determination Time for R-FLOATs Rate. During the R-FLOATs Mode (except during a Special R-FLOATs Rate Period in which case interest shall accrue at the R-FLOATs Rate determined pursuant to subsection (E) of this Section 306 and except during any Non-Remarketing Period in which case interest shall accrue at the Maximum Rate pursuant to subsection (F) of this Section 306), the Remarketing Agent shall establish the R-FLOATs Rate which shall be the lowest rate which in the opinion of the Remarketing Agent will result in the Bonds in the R-FLOATs Mode trading at par plus accrued interest by 10:00 a.m. New York City time on each Rate Determination Date. The R-FLOATs Rate shall be in effect during the applicable R-FLOATs Rate Period. The Remarketing Agent shall make the R-FLOATs Rate available (i) after 10:00 a.m. New York City time on the Rate Determination Date by telephone to any Holder and the Interested Parties and (ii) by Electronic Means to the Paying Agent not later than the second Business Day after the Rate Determination Date.

E. Determination Method and Time for R-FLOATs Rate on a Special R-FLOATs Rate Period. In the event that the Bonds are in a R-FLOATs Mode and are not rated A-2 and A or higher by both Moody's and S&P, respectively, then not later than 1:00 p.m. New York City time on the Business Day immediately preceding the next Interest Payment Date the Remarketing Agent shall establish the maximum period for a Special R-FLOATs Rate Period for such Special R-FLOATs Rate Period which maximum Special R-FLOATs Rate Period shall be made available after 1:00 p.m. New York City time on the Business Day immediately prior to the Rate Determination Date by posting it electronically via L.P.'s Bloomberg Professional System and by telephone to any Holder or Interested Party who contacts the Remarketing Agent. On the Rate Determination Date the Remarketing Agent shall not later than 10:00 a.m. New York City time select a Special R-FLOATs Rate Period which shall be the shortest period, but in no event longer than the maximum Special R-FLOATs Rate Period previously announced, and a R-FLOATs Rate which shall be the lowest rate which in the judgment of the Remarketing Agent would result in the Bonds trading at par plus accrued interest. The Remarketing Agent shall make the R-FLOATs Rate and Special R-FLOATs Rate Period available (i) after 10:00 a.m. New York City time on the Rate Determination Date by telephone to any Holder and any Interested Parties which contact the Remarketing Agent and (ii) by Electronic Means to the Paying Agent not later than the second Business Day following the Rate Determination Date. In the event the Remarketing Agent is unable to set a Special R-FLOATs Rate Period and R-

FLOATs Rate which will produce a sale of the Bonds at par plus accrued interest, the Bonds in the R-FLOATs Mode will bear interest at the Maximum Rate as determined pursuant to Subsection (F) of this Section 306. In addition the City may elect to have the Bonds converted into a Special R-FLOATs Rate Period having a duration of its choosing by giving at least ten days notice to the Paying Agent and the Tender Agent. Notice of such Special R-FLOATs Rate Period shall be given in the same manner as the notice of the maximum Special R-FLOATs Rate Period set forth above. On the effective date of such optional conversion to a Special R-FLOATs Rate Period of more than 35 days the affected Bonds shall be subject to mandatory purchase pursuant to Section 318 hereof.

F. Determination of R-FLOATs Non-Remarketing Period and Rate. (1) If any Bond that is part of the Bonds in the R-FLOATs Mode is optionally tendered for purchase pursuant to Section 317 or is subject to mandatory purchase pursuant to Section 318 or Section 320 and either (a) the Remarketing Agent, after using its reasonable best efforts, is unable to remarket such Bond at the Purchase Price by 2:00 p.m. New York City time on the Purchase Date or Mandatory Purchase Date (whether such inability is due to market conditions or otherwise) or (b) such Bond is returned to the Holder thereof pursuant to Section 323(C), then, from such Purchase Date or Mandatory Purchase Date until the date on which all Bonds that have been tendered or are subject to mandatory tender are successfully remarketed at the Purchase Price (the "Non-Remarketing Period"), all Bonds shall bear interest for a new Interest Period which shall be the same as the Interest Period just concluding unless such Interest Period was a Special R-FLOATs Rate Period in which case for a monthly Interest Period and shall bear interest at the Maximum Rate. Following the Non-Remarketing Period, all Bonds shall (unless converted to a different Mode) bear interest at a rate per annum determined pursuant to subsection (D) or (E) of this Section 306.

(2) During the Non-Remarketing Period, the Remarketing Agent shall continue to use its best efforts each Business Day to remarket the Bonds in the R-FLOATs Mode at the Purchase Price applicable to such Bond. In connection therewith, the Remarketing Agent may consider the day on which such Bonds are successfully remarketed at the Purchase Price to be a Rate Determination Date for such Bonds in the R-FLOATs Mode.

Section 307 Determination of Term Rates.

A. Method of Determining Term Rate, Interest Period and Purchase Date During Term Rate Mode. The Term Rate shall be the minimum rate which, in the judgment of the Remarketing Agent, will result in a sale of the Bonds at a price equal to the Purchase Price on the Rate Determination Date for the Interest Period selected by the City. The Remarketing Agent shall also determine the Purchase Date as the day following the last day of the Interest Period so selected by the City. If a new Interest Period is not selected by the City prior to the Business Day next preceding the Purchase Date for the Interest Period then in effect, the new Interest Period shall be the same length as the current Interest Period.

B. Determination Time for Term Rates. Except as provided in Section 307(C), once Bonds are changed to the Term Rate Mode, such Bonds shall continue in the Term Rate Mode until changed to another Mode in accordance with Section 311. The Term Rate shall be determined by the Remarketing Agent not later than 4:00 p.m. New York City time on the Rate Determination Date. After 4:00 p.m. New York City time, the Remarketing Agent shall make the Term Rate available by telephone to any Holder or to the City, the Paying Agent, the Tender Agent, the Credit Facility Provider (if any) or the Liquidity Facility Provider (if any).

C. Default to Unit Pricing Mode. If, for any reason, a new Term Rate cannot be established, the Bonds will be changed automatically to the Unit Pricing Mode on the Purchase Date for Interest Period(s) determined by the Remarketing Agent on such Purchase Date.

Section 308 Determination of Fixed Rate. At the option of the City, the Bonds may be converted to bear interest at the Fixed Rate to the final Maturity Date of the Bonds unless on the date the Remarketing Agent determines the Fixed Rate, the Remarketing Agent also determines that the Bonds would bear a lower effective net interest cost if such Bonds were serial bonds or serial bonds and term bonds with the maturity (or Mandatory Sinking Account Payment) dates and principal amounts matching the Mandatory Sinking Account Payments, in which event the Bonds shall become serial bonds or serial bonds and term bonds with such maturity (or Mandatory Sinking Account Payment) dates and principal amounts and shall bear separate Fixed Rates for each maturity. The Remarketing Agent shall determine the Fixed Rate not later than 4:00 p.m. New York City time on the Rate Determination Date. The Fixed Rate shall be the minimum interest rate which, in the judgment of the Remarketing Agent, will result in a sale of the Bonds at a price equal to the Purchase Price on the Rate Determination

Date unless in the judgment of the Remarketing Agent, with the written consent of the City and delivery of an Opinion of Counsel, the Remarketing Agent determines that the lowest yield will result by selling the Bonds at a price equal to the Purchase Price (plus any original issue premium or less any original issue discount) on the Rate Determination Date. In the case of Bonds to be sold at a discount, either (A) a Liquidity Facility is in effect with respect to such Bonds and provides for the purchase of such Bonds at such discount or (B) the City agrees to transfer to the Tender Agent on the date of change to the Fixed Rate Mode, in immediately available funds, for deposit in the City Purchase Account, an amount equal to such discount. In the case of Bonds sold at a premium, the premium shall be transferred to the City on the date of change to the Fixed Rate Mode. The Remarketing Agent shall make the Fixed Rate available by telephone to any Holder or to the City, the Paying Agent, the Tender Agent or the Credit Facility Provider (if any). Upon request of any Holder, the City, the Paying Agent or the Credit Facility Provider (if any), the Tender Agent shall give notice of such rate by Electronic Means. Such determination shall be conclusive and binding upon the City, the Paying Agent, the Tender Agent, the Credit Facility Provider (if any), the Liquidity Facility Provider (if any), the Remarketing Agent and the Holders.

Section 309 Alternate Rate for Interest Calculation. In the case of Bonds other than Auction Rate Securities, if (a) the Remarketing Agent fails or is unable to determine the interest rate(s) or Interest Periods with respect to any Bonds (except as provided in Sections 306(D) and 307(C)), or (b) the method of determining the interest rate(s) or Interest Periods with respect to any Bonds shall be held to be unenforceable by a court of law of competent jurisdiction, the Bonds shall thereupon, until such time as the Remarketing Agent again makes such determination or until there is delivered an Opinion of Counsel to the effect that the method of determining such rate is enforceable, bear interest from the last date on which such rate was determined in the case of clause (a) and from the date on which interest was legally paid in the case of clause (b), at the Alternate Rate for the Mode in effect. If either of the circumstances described in clauses (a) and (b) occurs on a Rate Determination Date for the Unit Pricing Mode, the relevant Interest Period shall be from and including such Rate Determination Date to, but not including, the next succeeding Business Day, and thereafter shall commence on a Business Day and extend to, but shall not include, the next Business Day. Notwithstanding clause (a) of the first sentence of this Section 309, if the Bonds are in an R-FLOATs Mode for an

Interest Period of 35 days or less, the new R-FLOATs Interest Period shall be the same as the preceding Interest Period and the new R-FLOATs Rate shall be the same as the preceding R-FLOATs Rate, and, if the Bonds are in a Special R-FLOATs Rate Period of greater than 35 days, the new R-FLOATs Interest Period shall be a weekly R-FLOATs Interest Period and the R-FLOATs Rate for the first Interest Period will be the same as the preceding R-FLOATs Rate.

Section 310 Auction Mode. Immediately following the Initial Auction Period, the Bonds shall bear interest at Auction Rates established for 35-day Auction Periods unless, prior to the end of the Initial Auction Period, the City changes the length of the Auction Period immediately succeeding the Initial Auction Period in accordance with Section 1.10 of Exhibit A attached hereto and incorporated by this reference. Thereafter, the Auction Rate to be applicable to the Auction Rate Securities during each Auction Period shall be determined by the Auction Agent and notice thereof shall be given, all as provided in Exhibit A hereto. The initial Auction Rate and subsequent Auction Rates determined in accordance with the Auction Procedures shall be conclusive and binding upon the City, the Paying Agent, the Auction Agent, the Broker-Dealers, the Market Agent, the Credit Facility Provider (if any) and the Holders.

Section 311 Changes in Mode. Subject to the provisions of this Section 311, the City may effect a change in Mode with respect to the Bonds by following the procedures set forth in this Section. In addition, in the event the Bonds are in an R-FLOATs Mode and the ratings on the Bonds falls below A by either S&P or Fitch or A2 by Moody's, the City shall cause the Bonds to be converted from the R-FLOATs Mode to another Mode (other than the Auction Mode).

A. Changes to Modes Other Than Fixed Rate Mode. The Bonds (other than Bonds in the Fixed Rate Mode) may be changed from one Mode to another Mode as follows:

(1) Mode Change Notice; Notice to Holders. No later than the 45 days preceding the proposed Mode Change Date, the City shall give written notice to the Paying Agent, the Tender Agent (if any), the Remarketing Agent (if any), the Auction Agent (if any), the Broker-Dealer (if any), each Rating Agency then rating the Bonds, the Liquidity Facility Provider (if any) and the Credit Facility Provider (if any) of its intention to effect a change in the Mode from the Mode then prevailing (for purposes of this Section, the "Current Mode") to another Mode (for purposes of this Section, the

“New Mode”) specified in such written notice, and, if the change is to a Term Rate Mode, the length of the initial Interest Period. Notice of the proposed change in Mode shall be given to the Holders pursuant to Section 314.

(2) Determination of Interest Rates. The New Mode shall commence on the Mode Change Date and the interest rate with respect to the Bonds (together, in the case of a change to the Unit Pricing Mode, with the Interest Period(s) and Purchase Date(s)) shall be determined by the Remarketing Agent in the manner provided in Sections 304, 305, 306, 307, 308 and 309, as applicable, or, in the case of Auction Rate Securities, by the Auction Agent as provided in Section 310.

(3) Conditions Precedent.

(a) The Mode Change Date shall be a Business Day.

(b) Additionally, the Mode Change Date in the case of a change:

(i) from the Unit Pricing Mode, shall be a day which is the last Purchase Date for all Interest Periods for such Bonds set by the Remarketing Agent; and

(ii) from the Term Rate Mode, shall be the Purchase Date for such Bonds for the current Interest Period.

(c) The Paying Agent, the Tender Agent (if any), the Auction Agent (if any), the Credit Facility Provider (if any) and the Remarketing Agent (if any) shall have received on the Mode Change Date a Favorable Opinion of Bond Counsel dated the Mode Change Date and addressed to the Paying Agent, the Tender Agent (if any), the Auction Agent (if any), the Credit Facility Provider (if any) and the Remarketing Agent (if any).

(d) If the Current Mode is the Unit Pricing Mode, no Interest Period set after delivery by the City to the Remarketing Agent of the notice of the intention to effect a change in Mode shall extend beyond the proposed Mode Change Date.

(e) If the Current Mode is a Mode other than an Auction Mode and the New Mode is an Auction Mode, the City shall have appointed an Auction

Agent, a Market Agent and a Broker-Dealer and entered into a continuing disclosure undertaking pursuant to Section 1011 hereof.

(f) If the Current Mode is the Auction Mode, the City shall have appointed a Remarketing Agent and a Tender Agent.

(g) If there shall be no Liquidity Facility in effect to provide funds for the purchase of Bonds on the Mode Change Date, the remarketing proceeds available on the Mode Change Date shall be not less than the amount required to purchase all of the Bonds at the Purchase Price (unless the City, in its sole discretion, elects to transfer to the Tender Agent the amount of such deficiency on or before the Mode Change Date).

(4) Failure to Satisfy Conditions Precedent to Mode Change. If the foregoing conditions have not been satisfied by the Mode Change Date, the New Mode shall not take effect and (a) if the change was from a Unit Pricing Mode, the Bonds shall remain in the Unit Pricing Mode with interest rates with respect thereto and Interest Periods to be established in accordance with Section 305; (b) if the change was from an Auction Mode, the Bonds shall remain in the Auction Mode and bear interest at the Maximum Rate until the first Auction Date that is at least 2 Business Days after the proposed Mode Change Date; (c) if the change was from a R-FLOATs Mode, the Bonds shall remain in the R-FLOATS Mode with interest rates established in accordance with Section 306(D, (E) or (F) and (d) otherwise, all Bonds shall be changed to a Daily Mode.

B. Change to Fixed Rate Mode. At the option of the City, Bonds may be changed to the Fixed Rate Mode as provided in this Section 311(B). Not less than 45 days (or such shorter time as may be agreed to by the Paying Agent, the Remarketing Agent (if any) and Auction Agent (if any)) before the proposed Mode Change Date, the City shall give written notice to the Paying Agent, the Tender Agent (if any), the Remarketing Agent (if any), the Auction Agent (if any), the Broker-Dealer (if any), the Credit Facility Provider (if any), the Liquidity Facility Provider (if any) and each Rating Agency then rating the Bonds stating that the Mode will be changed to the Fixed Rate Mode and setting forth the proposed Mode Change Date. Any such change in Mode shall be made as follows:

(1) Conditions Precedent.

(a) The Mode Change Date shall be:

(i) in the case of a change from the Unit Pricing Mode, a day which is the last Purchase Date for all Interest Periods for such Bonds set by the Remarketing Agent;

(ii) a Business Day; and

(iii) in the case of a change from the Term Rate Mode, the Purchase Date for such Bonds for the current Interest Period.

(b) The City shall have entered into a continuing disclosure undertaking pursuant to Section 1011 hereof.

(2) Notice to Holders. Not less than the 30th day next preceding the Mode Change Date, the Tender Agent shall mail, in the name of the City, a notice of such proposed change to the Holders of the Bonds stating that the Mode will be changed to the Fixed Rate Mode, the proposed Mode Change Date and that such Holder is required to tender such Holder's Bonds for purchase on such proposed Mode Change Date.

(3) Favorable Opinion of Bond Counsel. The change to the Fixed Rate Mode shall not occur unless the Paying Agent, the Credit Facility Provider (if any) and the Remarketing Agent (if any) and the Auction Agent (if any) have received on the Mode Change Date, a Favorable Opinion of Bond Counsel dated the Mode Change Date and addressed to the Paying Agent, the Credit Facility Provider (if any) and the Remarketing Agent (if any) and the Auction Agent (if any).

(4) Failure to Satisfy Conditions Precedent to Mode Change. If any of the conditions precedent have not been satisfied on or prior to the Mode Change Date, the Fixed Rate Mode shall not become effective and all Bonds shall be changed to a Daily Mode; provided that (a) if the change was from an Auction Mode, the Bonds shall remain in the Auction Mode and bear interest at the Maximum Rate until the first Auction Date that is at least 2 Business Days after the proposed Mode Change Date and (b) if the change was from a R-FLOATs Mode, the Bonds shall remain in the R-FLOATs Mode with interest rates established on a weekly basis and with the R-FLOATs Rate for the first weekly period set at the Maximum Rate.

Section 312 Terms of Redemption.

A. Optional Redemption of Bonds in the Unit Pricing Mode. Bonds in the Unit Pricing Mode are not subject to optional redemption prior to their respective Purchase

C. Optional Redemption of Bonds in the Term Rate Mode or the Fixed Rate Mode.

(2) Bonds in the Term Rate Mode or Fixed Rate Mode are subject to redemption prior to their respective stated Maturity Dates, at the option of the City, at such times and upon such terms as shall be specified by the City in a schedule to be delivered to the Paying Agent on or prior to such change to such Term Rate Mode or Fixed Rate Mode.

D. Optional Redemption of Auction Rate Securities. Section 313 Selection of Bonds for Redemption. Whenever provision is made in this Ordinance for the redemption of less than all of the Bonds or any given portion thereof, subject to Section 312 hereof, the Paying Agent shall select the Bonds to be redeemed, in the Authorized Denominations specified in Section 302, by lot, in any manner which the Paying Agent in its sole discretion shall deem appropriate and fair; provided, however, that Liquidity Facility Bonds shall be redeemed prior to any other Bonds. The Paying Agent shall promptly notify the City in writing of any redemption of the Bonds or portions thereof so selected for redemption. The selection of Bonds shall be at such time as determined by the Paying Agent.

Section 314 Notice of Redemption. Notice of redemption shall be mailed by first-class mail by the Paying Agent, not less than 30 nor more than 60 days prior to the date fixed for redemption, to the Liquidity Facility Provider (if any), the Credit Facility Provider (if any), the Remarketing Agent, the Rating Agencies then rating the Bonds, the Municipal Securities Rulemaking Board ("MSRB") and to the respective Holders of any Bonds designated for redemption at their addresses appearing on the bond registration books of the Paying Agent. Failure by the Paying Agent to mail notice of redemption pursuant to this Section 314 to the Liquidity Facility Provider (if any), the Credit Facility Provider (if any), the Rating Agencies then rating the Bonds or to any one or more of the Holders of any Bonds

Notwithstanding the provisions of this section, any notice of redemption may contain a statement that the redemption is conditional upon receipt by the Paying Agent of funds on or before the date fixed for redemption sufficient to pay the redemption price of the Bonds so called for redemption, and that if such funds are not available, such redemption shall be cancelled by written notice to the owners of the Bonds called for redemption in the same manner as the original redemption notice was mailed.

Section 317 Optional Tenders of Bonds in the Daily Mode, the Weekly Mode or the R-FLOATs Mode. The Holders of Eligible Bonds (other than Liquidity Facility Bonds) in a Daily Mode, a Weekly Mode or the R-FLOATs Mode may elect to have their Bonds (or portions of those Bonds in amounts equal to the lowest denomination then

authorized pursuant to Section 302) purchased on any Business Day in the case of Bonds in a Daily Mode or a Weekly Mode, on any Rate Determination Date in the case of Bonds in a Weekly R-FLOATs Mode, on any Interest Payment Date in the case of Bonds in a monthly R-FLOATs Mode and on the Interest Payment date immediately following a Special R-FLOATs Rate Period in the case of Bonds in a Special R-FLOATs Rate Period in each case at a price equal to the Purchase Price,

(i) in the case of Bonds in a Daily Mode, upon delivery of an irrevocable telephonic notice of tender to the Remarketing Agent and the Tender Agent not later than the Tender Notice Deadline; and

(ii) in the case of Bonds in a Weekly Mode or the R-FLOATs Mode, upon delivery of an irrevocable written notice of tender or irrevocable telephonic notice of tender to the Remarketing Agent and the Tender Agent, promptly confirmed in writing to the Tender Agent, not later than the Tender Notice Deadline.

A Holder who gives the notice of tender as set forth above may repurchase the Bonds so tendered on such Purchase Date if the Remarketing Agent agrees to sell the Bonds so tendered to such Holder. If such Holder decides to repurchase such Bonds and the Remarketing Agent agrees to sell the specified Bonds to such Holder, the delivery requirements set forth in Section 323(D) shall be waived. The Tender Agent may assume that a Bond is an Eligible Bond unless it has actual knowledge to the contrary.

Section 318 Mandatory Purchase at End of Unit Pricing Rate Periods. Each Bond in the Unit Pricing Mode is subject to mandatory purchase on the Purchase Date for the current Interest Period at the Purchase Price. No notice of such mandatory purchase shall be given to the Holders.

Section 319 Mandatory Purchase on Mode Change Date or Election to Set a Special R-FLOATs Rate Period.

A. On each Substitute Liquidity Facility Date and Substitute Credit Facility Date, and on the second Business Day preceding each Expiration Date, the Tender Agent shall draw upon the then current Liquidity Facility or Credit Facility, as the case may be, in accordance with Section 322(C) hereof.

Upon the surrender for transfer of any Bond at the Registrar, duly endorsed for transfer or accompanied by an assignment in form satisfactory to the Registrar duly executed by the registered owner or his attorney duly authorized in writing, the

Registrar shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount and of the same maturity bearing a number or numbers not previously assigned. The Registrar shall authenticate and deliver a Bond or Bonds which the registered owner making the exchange is entitled to receive, bearing a number or numbers not previously assigned. For every exchange or transfer of Bonds requested by the owner thereof, the City or the Registrar may make a sufficient charge to reimburse it for any tax, fee, or other governmental charge required to be paid with respect to such exchange or transfer, and may charge a sum sufficient to pay the cost of preparing and authenticating each new Bond. No such charge shall be levied in the case of an exchange resulting from an optional or mandatory prior redemption of a Bond.

All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid.

D. Replacement of Bond. If any Bond shall be lost, stolen, destroyed or mutilated, the Registrar shall, upon receipt of such evidence, information or indemnity relating thereto as it, the Registrar or the City, may reasonably require, and upon payment of all expenses in connection therewith, authenticate and deliver a replacement Bond or Bonds of a like aggregate principal amount and of the same maturity, bearing a number or numbers not

previously assigned. If such lost, stolen, destroyed or mutilated Bond shall have matured or shall have been called for redemption, the Registrar may direct that such Bond be paid by the Paying Agent in lieu of replacement.

The Bonds may not thereafter be transferred or exchanged except:

(1) to any successor of The Depository Trust Company or its nominee, which successor must be both a "clearing corporation" as defined in subsection 3 of NRS Section 104.8102, and a qualified and registered "clearing agency" under Section 17A of the Securities Exchange Act of 1934, as amended; or

(2) upon the resignation of The Depository Trust Company or a successor or new depository under clause (1) or this clause (2) of this subsection A, or a determination by the City that The Depository Trust Company or such successor or new depository is no longer able to carry out its functions, and the designation by the City of another depository institution acceptable to the City and to the depository then holding the Bonds, which new depository institution must be both a "clearing corporation" as defined in subsection 3 of NRS Section 104.8102 and a qualified and registered "clearing agency" under Section 17A of the Securities Exchange Act of 1934, as amended, to carry out the functions of The Depository Trust Company or such successor or new depository; or

(3) upon the resignation of The Depository Trust Company or a successor or new depository under clause (1) or clause (2) of this subsection A, or a

determination of the City that The Depository Trust Company or such successor or new depository is no longer able to carry out its functions, and the failure by the City, after reasonable investigation, to locate another qualified depository institution under clause (2) to carry out such depository functions.

B. In the case of a transfer to a successor of The Depository Trust Company or its nominee as referred to in clause (1) of subsection A hereof or designation of a new depository pursuant to clause (2) of subsection A hereof, upon receipt of the Outstanding Bonds by the Registrar, together with written instructions for transfer satisfactory to the Registrar, a new Bond for each maturity of the Bonds then Outstanding shall be issued to such successor or new depository, as the case may be, or its nominee, as is specified in such written transfer instructions. In the case of a resignation or determination under clause (3) of subsection A hereof and the failure after reasonable investigation to locate another qualified depository institution for the Bonds as provided in clause (3) of subsection A hereof, and upon receipt of the Outstanding Bonds by the Registrar, together with written instructions for transfer satisfactory to the Registrar, new Bonds shall be issued in the denominations of \$5,000 or any integral multiple thereof, as provided in and subject to the limitations of Section 302 hereof, registered in the names of such Persons, and in such denominations as are requested in such written transfer instructions: however, the Registrar shall not be required to deliver such new Bonds within a period of less than 60 days from the date of receipt of such written transfer instructions.

C. The City, the Registrar and the Paying Agent shall be entitled to treat the registered owner of any Bond as the absolute owner thereof for all purposes hereof and any applicable laws, notwithstanding any notice to the contrary received by any or all of them and the City, the Registrar and the Paying Agent shall have no responsibility for transmitting payments to the beneficial owners (the "Beneficial Owners") of the Bonds held by The Depository Trust Company or any successor or new depository named pursuant to subsection A hereof.

D. The City, the Registrar and the Paying Agent shall endeavor to cooperate with The Depository Trust Company or any successor or new depository named pursuant to clause (1) or (2) of subsection A hereof in effectuating payment of the Bond Requirements of the Bonds by arranging for payment in such a manner that funds representing such payments are available to the depository on the date they are due.

E. Upon any partial redemption of any maturity of the Bonds, Cede & Co. (or its successor), in its discretion may request the City to issue and authenticate a new Bond or shall make an appropriate notation on the Bond indicating the date and amount of prepayment, except in the case of final maturity, in which case the Bond must be presented to the Paying Agent prior to payment.

Section 332 Execution of Bonds. The Bonds shall be executed as follows:

A. Filings with Secretary of State. Pursuant to the Bond Act, and to the act cited as the Uniform Facsimile Signatures of Public Officials Act, cited as chapter 351 of NRS, and prior to the execution of any Bonds, the Mayor, the City Clerk and the City Treasurer shall each file with the Secretary of State of the State his or her manual signature certified by him or her under oath.

B. Manner of Execution. Each Bond shall be approved, signed and executed in the name of and on behalf of the City with the manual or facsimile of the signature of the Mayor shall be countersigned and executed with the manual or facsimile of the signatures of the City Treasurer and shall be authenticated with the manual or facsimile impression of the official seal of the City; and shall be signed, executed, and attested with such a manual or facsimile signature of the City Clerk.

C. Authentication. No Bond shall be valid or obligatory for any purpose unless the certificate of authentication thereon, substantially in the form hereinafter provided has been duly manually executed by the Registrar. The Registrar's certificate of authentication shall be deemed to have been duly executed by it if manually signed by an authorized officer or employee of the Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Bonds issued hereunder. By authenticating any of the Bonds delivered pursuant to the Ordinance, the Registrar shall be deemed to have assented to all of the provisions of this Ordinance.

Section 333 Use of Predecessor's Signature. The Bonds bearing the signatures of the officers in office at the time of the signing thereof shall be the valid and binding obligations of the City, notwithstanding that before the delivery thereof and the payment therefor any or all of the persons whose signatures appear thereon shall have ceased to fill their respective offices. Each of the Mayor, the City Treasurer and City Clerk, at the time of the

execution of the Bonds and of a signature certificate pertaining thereto by the Mayor, the City Treasurer and the City Clerk, respectively, may adopt as and for his or her own facsimile signature the facsimile signature of his or her predecessor in office if such facsimile signature appears upon any of the Bonds.

Section 334 Incontestable Recital in Bonds. Pursuant to Section 350.628, Bond Act, each Bond shall recite that it is issued pursuant to the Project Act, to the Bond Act, and to the Supplemental Bond Act, which recital shall be conclusive evidence of the validity of the Bonds and the regularity of their issuance.

Section 335 State Tax Exemption. Pursuant to Section 350.710 of the Bond Act, the Bonds, their transfer, and the income therefrom shall forever be and remain free and exempt from taxation by the State or any subdivision thereof, except for the tax on estates imposed pursuant to chapter 375A of NRS and the tax on generation-skipping transfers imposed pursuant to chapter 375B of NRS.

Section 338 Bond Form. Subject to the provisions of this Ordinance, each Bond shall be in substantially the following form with such omissions, insertions, endorsements, and variations as to any recitals of fact or other provisions as may be required by the circumstances, be required or permitted by this Ordinance, or be consistent with this Ordinance and necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto:

This is one of an authorized series of bonds issued under the Ordinance in the aggregate principal amount of \$32,000,000 (the "Bonds"). The Bonds are all issued under and equally and ratably secured by and entitled to the security of the Ordinance. To the extent not defined herein, terms used in this Bond shall have the same meanings as set forth in the Ordinance. This Bond bears interest, matures, is payable, is subject to optional tender and mandatory purchase, is subject to redemption and is transferable as provided in the Ordinance.

Reference is made to the Ordinance and to all ordinances supplemental thereto, with respect to the nature and extent of the security for the Bonds, the accounts, funds or revenues pledged, rights, duties and obligations of the City, the Paying Agent, the Tender Agent and the Credit Facility Provider, and, the rights of the owners of the Bonds, the events of defaults and remedies, the circumstances under which any Bond is no longer Outstanding, the issuance of additional bonds and the terms on which such additional bonds may be issued under and secured by the Ordinance, the ability to amend the Ordinance, and to all the provisions of which the owner hereof by the acceptance of this Bond assents.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the City or its agent for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of

DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

The Bonds shall not be transferable or exchangeable, except as set forth in the Ordinance.

Upon any partial prior redemption of this Bond, Cede & Co., in its discretion, may request the Registrar to authenticate a new Bond or shall make an appropriate notation on this Bond indicating the date and amount of prepayment, except in the case of final maturity, in which case this Bond must be presented to the Paying Agent prior to payment.

This Bond must be registered in the name of the Registered Owner as to both principal and interest on the registration records kept by the Registrar in conformity with the provisions stated herein and endorsed hereon and subject to the terms and conditions set forth in the Ordinance. No transfer of this Bond shall be valid unless made on the registration records maintained at the principal office of the Registrar by the Registered Owner or his attorney duly authorized in writing.

The City and the Registrar and Paying Agent may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of making payment (except to the extent otherwise provided hereinabove and in the Ordinance with respect to Regular and Special Record Dates for the payment of interest) and for all other purposes and the City, and Paying Agent and Registrar shall be not affected by notice to the contrary.

The Bonds are issued by the City and upon the credit thereof, for the purpose of financing various capital improvement projects described in NRS chapter 268 and in the Ordinance, under the authority of and in full conformity with the Constitution and laws of the State and the City and pursuant to the Ordinance.

It is hereby certified, recited and warranted that the total indebtedness of the City, including that of this Bond, does not exceed any limit of indebtedness prescribed by the Constitution or laws of the State; that provision has been made for the levy and collection of annual general (ad valorem) taxes ("General Taxes") sufficient to pay the Bond Requirements of this Bond when the same become due (except to the extent other moneys are available therefor), subject to the limitations imposed by the Constitution and statutes of the State; and that the full faith and credit of the City are hereby irrevocably pledged to the punctual payment of the Bond Requirements according to the terms of this Bond.

The payment of the Bonds, as to all Bond Requirements, is additionally secured by an irrevocable pledge of revenues derived by the City from the Pledged Revenues (as defined in the Ordinance).

Payment of the Bond Requirements due in connection with the Bonds may be made from and as security for such payment there is irrevocably and exclusively pledged, pursuant to the Ordinance, a special account thereby created and identified as the "City of Las Vegas, Nevada, General Obligation (Limited Tax) Adjustable Rate Various Purpose Bonds,

Series 2006C, Pledged Revenues, Interest and Principal Retirement Fund," into which account the City covenants to pay from the revenues derived from the Pledged Revenues sums sufficient to pay when due the Bond Requirements of the Bonds, except to the extent other moneys are available therefor.

The Bonds are equitably and ratably secured by a lien on the Pledged Revenues and the Bonds constitute an irrevocable lien (but not necessarily an exclusive lien) upon the Pledged Revenues, on a parity with the lien on the Pledged Revenues of the Parity Securities and subject to and after any superior liens upon such Pledged Revenues of any Superior Bonds or Superior Securities. Bonds and other securities, in addition to the Bonds, subject to expressed conditions, may be issued and made payable from the Pledged Revenues having a lien thereon subordinate and junior to the lien or, subject to additional expressed conditions, having a lien thereon superior to or on a parity with the lien, of the Bonds, in accordance with the provisions of the Ordinance.

The City covenants and agrees with the owner of this Bond and with each and every person who may become the owner hereof that it will keep and will perform all of the covenants of the Ordinance.

Reference is made to the Ordinance, NRS Chapter 360, as amended from time to time, to the City Charter, as amended from time to time, to an act cited as NRS 350.500 through 350.720, and all laws amendatory thereof, designated in Section 350.500 thereof as the Local Government Securities Law, to Chapter 348 of NRS (the "Supplemental Bond Act"), and to all laws supplemental thereto, for an additional description of the nature and extent of the security for the Bonds, the General Taxes, accounts, funds and revenues pledged, the nature and extent and manner of enforcement of the pledge, the rights and remedies of the owners of the Bonds with respect thereto, the terms and conditions upon which the Bonds are issued, and a statement of rights and remedies of the owners of the Bonds.

The Bonds are issued pursuant to the Project Act, the Local Government Securities Law, and the Supplemental Bond Act, and pursuant to NRS Section 350.628, Local Government Securities Law, this recital is conclusive evidence of the validity of the Bonds and the regularity of their issuance; and pursuant to NRS Section 350.710, Local Government Securities Law, the Bonds, their transfer, and the income therefrom shall forever be and remain free and exempt from taxation by the State or any subdivision thereof except for the tax on estates imposed pursuant to chapter 375A of NRS and the tax on generation-skipping transfers imposed pursuant to chapter 375B of NRS.

To the extent and in the respects permitted by the Ordinance, the provisions of the Ordinance or any instrument amendatory thereof or supplemental thereto may be modified or amended by action of the City taken in the manner and subject to the conditions and exceptions prescribed in the Ordinance. The pledge of revenues and other obligations of the City under the Ordinance may be discharged at or prior to the respective maturities of the Bonds upon the making of provision for the payment thereof on the terms and conditions set forth in the Ordinance.

It is further certified, recited and warranted that all the requirements of law have been fully complied with by the proper officers of the City in the issuance of this Bond; that it is issued pursuant to and in strict conformity with the Constitution and laws of the State, particularly under the terms and provisions of the Project Act, the Local Government Securities Law, the Supplemental Bond Act, and all laws supplemental thereto, and with the Ordinance; and that this Bond does not contravene any constitutional or statutory limitation.

No recourse shall be had for the payment of the Bond Requirements of this Bond or for any claim based thereon or otherwise upon the Ordinance or other instrument relating thereto, against any individual member of the City Council of the City, any individual member of the City, or any officer or other agent of the City, past, present or future, either directly or indirectly through such board or the City, or otherwise, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any penalty or otherwise, all such liability, if any, being by the acceptance of this Bond and as a part of the consideration of its issuance specially waived and released.

This Bond shall not be valid or obligatory for any purpose until a manual signature of a duly authorized officer of the Registrar has been affixed on the certificate of authentication hereon.

IN WITNESS WHEREOF, the City has caused this Bond to be signed and executed in its name and upon its behalf with the manual or facsimile signature of the Mayor, to be countersigned and executed with the manual or facsimile signature of the City Treasurer and has caused a manual impression or a facsimile of the seal of the City to be affixed hereon; and has caused this Bond to be signed, executed and attested with the manual or facsimile signature of the City Clerk, all as of the date written above.

ARTICLE IV.

USE OF BOND PROCEEDS

Section 401 Disposition of Bond Proceeds. The proceeds of the Bonds upon the receipt thereof at any time or from time to time, shall be accounted for in the following manner and priority and are hereby pledged therefor:

Construction Account. The balance of the proceeds received from the sale of the Bonds shall be deposited into a special account hereby created and designated as the "City of Las Vegas, Nevada, General Obligation (Limited Tax) Adjustable Rate Various Purpose Bonds (Additionally Secured by Pledged Revenues), Series 2006C Construction Account" (the "Construction Account") to be held by the City. Moneys in the Construction Account shall be used solely to defray wholly or in part the cost of the Project including, without limitation, as provided in NRS Section 350.516, all costs of issuing the Bonds, and the costs of rebates to the United States under Section 148 of the Tax Code, which the Council hereby determines are necessary and desirable and appertain to the Project. After the Project is complete and after all expenses have been paid or adequate provision therefor is made, pursuant to NRS Section 350.650, any unexpended balance of Bond proceeds (or, unless otherwise required by law, any other moneys) remaining in the Construction Account shall be deposited into the Bond Fund hereinafter created to be used to pay the principal of and interest on the Bonds pursuant to Section 604(B) hereof.

Section 402 Prevention of Bond Default. The City Treasurer shall use any Bond proceeds credited to the Construction Account without further order or warrant, to pay the Bond Requirements of the Bonds as the same become due whenever and to the extent moneys in the Bond Fund or otherwise available therefor are insufficient for that purpose, unless the Bond proceeds shall be needed to defray obligations accrued and to accrue under any contracts then existing and relating to the Project. The City Treasurer shall promptly notify the Finance Director of any such use. Any moneys so used shall be restored to the Construction Account, from the first Pledged Revenues thereafter received and not needed to meet the requirements provided in Sections 603 through 607 hereof.

Section 403 Completion of Project. When any amounts in the Construction Account are no longer needed to pay the Cost of the Project, the Finance Director

shall cause to be transferred to the Bond Fund all surplus moneys remaining in the Construction Account, if any, except for any moneys designated by the Finance Director to be retained to pay any unpaid accrued costs or contingent obligations and the sums so transferred shall be applied to the payment of the principal and interest due on the Bonds.

Section 404 Underwriter Not Responsible. The validity of the Bonds shall not be dependent on nor be affected by the validity or regularity of any proceedings relating to the acquisition of the improvements, or any part thereof, or to the completion of the Project. The Underwriter, any associate thereof, and any subsequent owner of any Bonds shall in no manner be responsible for the application or disposal by the City or by any of its officers, agents and employees of the moneys derived from the sale of the Bonds or of any other moneys herein designated.

Section 405 Lien on Bond Proceeds. Until proceeds of the Bonds are applied as hereinabove provided the Bond proceeds shall be subject to a lien thereon and pledge thereof for the benefit of the owners of the Bonds from time to time as provided in Section 601 hereof.

ARTICLE V.

GENERAL TAXES

Section 501 General Tax Levies. Pursuant to Section 350.596 of the Bond Act, the Bond Requirements of the Bonds falling due at any time when there are not on hand from General Tax levies sufficient funds to pay the same, shall be paid out of the general fund of the City or out of any other funds that may be available for such purpose. For the purpose of repaying any moneys so paid from any such fund or funds (other than any moneys available for the payment of such Bond Requirements on other than a temporary basis) and for the purpose of the payment thereafter of the Bonds and the interest thereon, there are hereby created the separate and special accounts known respectively as the "City of Las Vegas, Nevada, General Obligation (Limited Tax) Adjustable Rate Various Purpose Bonds, Series 2006C, General Tax Principal Fund" (the "General Tax Principal Fund") and as the "City of Las Vegas, Nevada, General Obligation (Limited Tax) Adjustable Rate Various Purpose Bonds, Series 2006C, General Tax Interest Fund" (the "General Tax Interest Fund"). Pursuant to Sections 350.592 and 350.594 of the Bond Act, there shall be levied immediately after the issuance of the Bonds, and annually thereafter (if necessary to implement this Ordinance), until all of the Bond Requirements shall have been fully paid, satisfied and discharged, a General Tax on all property, both real and personal, subject to taxation within the boundaries of the City fully sufficient to reimburse such funds for such installments of Bond Requirements, together with the revenue which will result from application of the rate to the net proceeds of minerals, to pay the interest on the Bonds, and to pay and retire the same as hereinabove provided, and after there are made due allowances for probable delinquencies. The proceeds of the annual levies shall be duly credited to such separate accounts for the payment of the Bond Requirements. In the preparation of the annual budget or appropriation resolution or ordinance for the City, the City shall first make proper provisions through the levy of sufficient General Taxes for the payment of the interest on and the retirement of the principal of the bonded indebtedness of the City, including, without limitation, the Bonds, subject to the limitations imposed by NRS Section 361.453 and Section 2, Article. 10, Nevada Constitution, and the amount of money necessary for this purpose shall be a first charge against all the revenues received by the City.

Section 502 Priorities for Bonds. As provided in NRS Section 361.463 in any year in which the total General Taxes levied against the property in the City by all overlapping units within the boundaries of the City may exceed the limitation of \$3.64 on each \$100 of assessed valuation, or a lesser or greater amount fixed by the State board of examiners if the State board of examiners is directed by law to fix a lesser or greater amount for that Fiscal Year as provided in NRS Section 361.453, and it shall become necessary by reason thereof to reduce the levies made by any and all such units, the reductions so made shall be in General Taxes levied by such unit or units (including, without limitation, the City and the State) for purposes other than the payment of their bonded indebtedness, including interest thereon. The General Taxes levied for the payment of such bonded indebtedness and the interest thereon shall always enjoy a priority over General Taxes levied by each such unit (including, without limitation, the City and the State) for all other purposes where reduction is necessary in order to comply with the limitation of NRS Section 361.453.

Section 503 Correlation of Levies. Such General Taxes shall be levied and collected in the same manner and at the same time as other General Taxes are levied and collected, and the proceeds thereof for the Bonds shall be kept by the City Treasurer in the General Tax Principal Fund and in the General Tax Interest Fund, which shall be used for no other purpose than the payment of principal of and interest on the Bonds, and any other Parity Securities hereinafter issued in accordance with Section 910 hereof, respectively, as the same fall due.

Section 504 Use of General Fund. Any sums becoming due on the Bonds at any time when there are on hand from such tax levy or levies (and any other available moneys) insufficient funds to pay the same shall be promptly paid when due from general funds on hand belonging to the City, reimbursement to be made for such general funds in the amounts so advanced when the Taxes herein provided for have been collected, pursuant to Section 350.596, Bond Act.

Section 505 Use of Other Funds. Nothing herein prevents the City from applying any funds (other than General Taxes) that may be available for that purpose to the payment of such interest or principal, as the same, respectively, mature, including, without limitation, the payment of the Bonds as provided in Section 604 hereof and elsewhere herein,

and upon such payments, the levy or levies herein provided may thereupon to that extent be diminished, pursuant to Section 350.598 of the Bond Act.

Section 506 Legislative Duties. In accordance with Section 350.592 of the Bond Act, and NRS Section 361.463, it shall be the duty of the City annually, at the time and in the manner provided by law for levying other General Taxes of the City, if such action shall be necessary to effectuate the provisions of this Ordinance, to ratify and carry out the provisions hereof with reference to the levy and collection of General Taxes; and the City shall require the officers of the City to levy, extend and collect such General Taxes in the manner provided by law for the purpose of creating funds for the payment of the principal of the Bonds and interest thereon. Such General Taxes when collected shall be kept for and applied only to the payment of the principal of and the interest on the Bonds as hereinbefore provided.

Section 507 Appropriation of General Taxes. In accordance with Section 350.602 of the Bond Act, there is hereby specially appropriated the proceeds of the General Taxes to the payment of such principal and interest; and such appropriations shall not be repealed nor the General Taxes postponed or diminished (except as herein otherwise expressly provided) until the principal of and interest on the Bonds have been wholly paid.

ARTICLE VI.

ADMINISTRATION OF AND ACCOUNTING FOR PLEDGED REVENUES

Section 601 Pledge Securing Bonds. Subject only to the right of the City to cause amounts to be withdrawn to pay the Cost of the Project as provided herein, all of the Pledged Revenues and all moneys and securities paid or to be paid to or held or to be held in any account under this article or under Section 401 hereof, excluding, however, all amounts held in the Rebate Fund and in the Purchase Fund, are hereby pledged to secure the payment of the Bond Requirements of the Bonds. This pledge shall be valid and binding from and after the date of the first delivery of any Bonds, and the moneys, as received by the City and hereby pledged, shall immediately be subject to the lien of this pledge without any physical delivery thereof, any filing, or further act, and the lien of this pledge and the obligation to perform the contractual provisions hereby made shall have priority over any or all other obligations and liabilities of the City and, except for the Outstanding Prior Bonds and any Outstanding Parity Securities hereafter authorized the liens of which on the Pledged Revenues are on a parity with the lien thereon of the Bonds and any Outstanding Superior Securities hereafter issued the liens of which on the Pledged Revenues are superior to the lien thereon of the Bonds; and the lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the City (except as herein otherwise provided) irrespective of whether such parties have notice thereof.

Section 602 Income Fund Deposits. So long as any of the Bonds shall be Outstanding, as to any Bond Requirements, the entire Pledged Revenues, upon their receipt from time to time by the City, shall continue to be set aside and credited immediately to a special fund heretofore created and designated as the "City of Las Vegas, Nevada, SCCRT Pledged Revenues Income Fund, Series 1993" (the "Income Fund"). Such Income Fund shall be maintained by the City Treasurer separate and apart from all other City funds, including the Bond Fund.

Section 603 Administration of Income Fund. So long as any of the Bonds hereby authorized shall be Outstanding, as to any Bond Requirements, each Fiscal Year the Income Fund shall be administered, and the moneys on deposit therein shall be applied in the following order of priority, all as provided in Sections 604 through 608 hereof.

Section 604 Superior Bond Fund and Bond Fund Payments.

A. First, from any moneys in the Income Fund, i.e., from the Pledged Revenues, there shall be credited to any bond fund created to pay the principal of, interest on and redemption premiums, if any, due on any Superior Bonds or Superior Securities issued in accordance with the provisions of this Ordinance:

(1) Monthly, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, to pay the next maturing installment of interest on the Superior Bonds or Superior Securities, and monthly thereafter, commencing on each interest payment date, one-sixth of the amount necessary, together with any other moneys from time to time available therefor and on deposit therein from whatever source, to pay the next maturing installment of interest on the Superior Bonds or Superior Securities then outstanding.

(2) Monthly, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, to pay the next installment of principal of the Superior Bonds or Superior Securities coming due at maturity, and monthly thereafter, commencing on each principal payment date, one-twelfth of the amount necessary, together with any other moneys from time to time available therefor and on deposit therein from whatever source, to pay the next installment of principal of the Superior Bonds or Superior Securities coming due at maturity, or, if any, an amount sufficient to pay the principal of, interest on and any redemption premiums due on the outstanding Superior Bonds or Superior Securities.

B. Second, subject to the provisions of Section 606 hereof, the following transfers shall be credited to the fund which is hereby created and designated as the "City of Las Vegas, Nevada, General Obligation (Limited Tax) Adjustable Rate Various Purpose Bonds, Series 2006C, Pledged Revenues, Interest and Principal Retirement Fund" (the "Bond Fund"), to be held by the City Treasurer, concurrently with the payments required for any Outstanding Parity Securities into the bond funds therefor, as required by the Ordinances authorizing those bonds:

(1) Monthly, commencing on the first day of the month following the date of delivery of the Bonds, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever

source, to pay the next maturing installment of interest on the Bonds, and monthly thereafter, commencing on each interest payment date, one-sixth of the amount necessary, together with any other moneys from time to time available therefor and on deposit therein from whatever source, to pay the next maturing installment of interest on the Bonds then Outstanding.

(2) Monthly, commencing one year before the first principal maturity date of the Bonds, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, to pay the next installment of principal of the Bonds coming due at maturity, and monthly thereafter, commencing on each principal payment date, one-twelfth of the amount necessary, together with any other moneys from time to time available therefor and on deposit therein from whatever source, to pay the next installment of principal of the Bonds coming due at maturity, or pursuant to Section 303(C) hereof, if any.

The moneys credited to the Bond Fund shall be used to pay the Bond Requirements of the Bonds as the Bond Requirements become due, including any mandatory sinking fund payments pursuant to Section 303(C) hereof, if any. All amounts in the Bond Fund shall be used and withdrawn by the City solely (i) for the purpose of paying the Bond Requirements of the Bonds as the same becomes due and payable (including accrued interest on any Bonds purchased or redeemed prior to maturity pursuant to this Ordinance), or (ii) to reimburse the Credit Facility Provider (if any) with respect to drawings under the Credit Facility for such purposes and in such event to transfer such amounts to the Tender Agent for deposit to the City Purchase Account or to the Paying Agent for deposit into the City Drawing Account, as the case may be or (iii) to deposit funds to the City Drawing Account pursuant to Section 324 of this Ordinance in the event sufficient funds are not available in the Direct-Pay Credit Facility Drawing Account. Unless there has been an Event of Default, so long as the Credit Facility is in effect and has been drawn upon to provide sufficient funds to pay in full the principal of and interest when due as required herein, the City shall use moneys in the Bond Fund and transfer funds to the Tender Agent, if necessary, for deposit to the City Purchase Account or to the Paying Agent for deposit into the City Drawing Account, to reimburse the Credit Facility Provider (if any) for such drawing in such manner as to provide for receipt by the Credit Facility Provider (if any) on the same Business Day as the draw is honored.

Section 605 Termination of Deposits. No payment need be made into the Bond Fund, if the amount in the Bond Fund totals a sum at least equal to the entire amount of the Outstanding Bonds as to all Bond Requirements, to their respective maturities, and both accrued and not accrued interest, in which case moneys in that account in an amount at least equal to such Bond Requirements shall be used solely to pay such Bond Requirements as the same become due; and any moneys in excess thereof in those two accounts and any other moneys derived from the Pledged Revenues shall be applied as hereafter provided.

Section 606 Payment of Additional Securities. Third, and subject to the provisions hereinabove in this Article, but either prior to, concurrently with or subsequent to the payments required by Section 604 hereof, as provided in Article VIII hereof, any moneys remaining in the Income Fund may be used by the City for the payment of Bond Requirements of the Outstanding Parity Securities, additional bonds or other additional securities payable from the Pledged Revenues and hereafter authorized to be issued in accordance with Article VIII and any other provisions herein supplemental thereto, including reasonable reserves for such securities, as the same accrue. The lien of such additional bonds or other additional securities on the Pledged Revenues and the pledge thereof for the payment of such additional securities shall be superior to, on a parity with or subordinate to the lien and pledge of the Bonds as herein provided. Payments for bond and reserve funds for any Superior Securities shall be made concurrently with the payments for Superior Securities required by Section 604 hereof. Payments for bond and reserve funds for the Outstanding Parity Securities and additional Parity Securities shall be made concurrently with the payments for the Bonds required by Section 604 hereof. Payments for bond and reserve funds for additional Subordinate Securities and payments of Security Instrument Costs and Security Instrument Repayment Obligations shall be made after the payments required by Sections 604 and 607 hereof.

Section 607 Payment of Rebate. Fourth, and subject to the provisions hereinabove in this Article, there shall be transferred into the "City of Las Vegas, Nevada, General Obligation (Limited Tax) Adjustable Rate Various Purpose Bonds, Series 2006C, Rebate Fund," hereby created, after making in full the monthly deposits required by Sections 604 and 606, but prior to the transfer of any Pledged Revenues to the payment of Subordinate Securities, such amounts as are required to be deposited therein to meet the City's obligations under the covenant contained in Section 920 hereof, in accordance with

Section 148(f) of the Tax Code. Amounts in the Rebate Fund shall be used for the purpose of making the payments to the United States required by such covenant and Section 148(f) of the Tax Code. Any amounts in the Rebate Fund in excess of those required to be on deposit therein by Section 920 hereof and Section 148(f) of the Tax Code may be withdrawn therefrom and used for any lawful purpose relating to the Project.

Section 608 Use of Remaining Revenues. After the payments hereinabove required to be made in this Article VI are made, any remaining Pledged Revenues in the Income Fund may be used at any time during any Fiscal Year whenever in the Fiscal Year there shall have been credited to the Bond Fund, to the Rebate Fund and to each other bond fund and reserve fund, if any, for the payment of any other securities payable from the Pledged Revenues, all amounts required to be deposited in those special accounts for such portion of the Fiscal Year, as hereinabove provided in this Article, for any one or any combination of lawful purposes relating to the Project, or otherwise, as the City may from time to time determine.

ARTICLE VII.

GENERAL ADMINISTRATION

Section 701 Administration of Accounts. The special accounts designated in Articles IV and VI hereof shall be administered as provided in this Article.

Section 702 Places and Times of Deposits. Each of the special accounts hereinabove designated in Articles IV and VI hereof shall be maintained as a book account and kept separate from all other accounts as a trust account solely for the purposes herein designated therefor, and the moneys accounted for in such special book accounts shall be deposited in one bank account or more in a commercial bank or commercial banks as determined and designated by the City (except as otherwise expressly stated herein). Nothing herein prevents the commingling of moneys accounted for in any two or more book accounts relating to the Project or any other City accounts in any bank account or any investment in securities hereunder. Each bank account shall be continuously secured to the fullest extent required or permitted by the laws of the State for the securing of public funds and shall be irrevocable and not withdrawable by anyone for any purpose other than the respective designated purposes. Each periodic payment shall be credited to the proper book account not later than the date therefor herein designated, except that when any such date shall be a Saturday, a Sunday or a legal holiday, then the payment shall be made on or before the next preceding secular day. Notwithstanding any other provision herein to the contrary, moneys sufficient to pay the Bond Requirements then coming due on the Outstanding Bonds shall be deposited with the Paying Agents at least on the day of each interest payment date herein designated and, in any event, in sufficient time to make timely payment of such Bond Requirements.

Section 703 Investment of Moneys. Any moneys in any account designated in Articles IV and VI hereof, and not needed for immediate use, may be invested or reinvested by the City Treasurer in any investments permitted under the laws of the State. For the purpose of any such investment or reinvestment, the securities shall be deemed to mature at the earliest date on which the obligor is, on demand, obligated to pay a fixed sum in discharge of the whole of such obligations.

Section 704 Required and Permissive Investments. The City Treasurer shall not have any obligation to make any investment or reinvestment hereunder,

unless any moneys on hand and accounted for in any one account exceeds \$5,000 and at least \$5,000 therein will not be needed for a period of not less than 60 days. In that event the City Treasurer shall invest or reinvest in securities to the extent practicable not less than substantially all the amount which will not be needed during such 60-day period, except for any moneys on deposit in an interest-bearing account in any commercial bank, regardless of whether such moneys are evidenced by a certificate of deposit or otherwise, pursuant to Section 707 hereof. The City Treasurer may invest or reinvest any moneys on hand at any time as provided in Section 703 hereof even though he is not obligated to do so.

Section 705 Accounting for Investments. The securities purchased as an investment or reinvestment of moneys in any such account shall be deemed at all times to be a part of the account and held in trust therefor. Except as herein otherwise provided, any interest or other gain in any account resulting from any such investments and reinvestments in securities and from any deposits of moneys in any commercial bank pursuant to this Article shall be credited to that Fund, and any loss in any account resulting from any such investments and reinvestments in securities and from any such deposits in any commercial bank shall be charged or debited to that Fund. No loss or profit in any account on any investments or reinvestments in securities or any certificates of deposit shall be deemed to take place as a result of fluctuations in the market quotations of the investments, reinvestments or certificates before the sale or maturity thereof. In the computation of the amount in any account for any purpose hereunder, except as herein otherwise expressly provided, securities and certificates of deposit shall be valued at the cost thereof (including any amount paid as accrued interest at the time of purchase of the obligation) and other bank deposits shall be valued at the amounts deposited, exclusive of any accrued interest or any other gain to the City until such gain is realized. The expenses of purchase, safekeeping, sale and all other expenses incident to any investment or reinvestment of moneys pursuant to this Article shall be accounted for as an expense of the Project and charged to the Construction Account.

Section 706 Redemption or Sale of Investment Securities. The City Treasurer having jurisdiction over moneys designated herein shall present for redemption at maturity or sale on the prevailing market at the best price obtainable any securities and certificates of deposit so purchased as an investment or reinvestment of moneys in any account whenever it shall be necessary to do so in order to provide moneys to meet any withdrawal,

payment or transfer from such account. The City Treasurer and each other officer of the City shall not be liable or responsible for any loss resulting from any such investment or reinvestment made in accordance with this Ordinance.

Section 707 Character of Funds. The moneys in any account herein authorized shall consist either of lawful money of the United States or permitted securities, or both. Moneys deposited in a demand or time deposit account in or evidenced by a certificate of deposit of any commercial bank pursuant to Section 703 hereof, appropriately secured according to the laws of the State, shall be deemed lawful money of the United States.

Section 708 Accelerated Payments. Nothing contained in Article VI hereof prevents the accumulation in any account herein designated of any monetary requirements at a faster rate than the rate or minimum rate provided in Article VI therefor, as the case may be; but no payment shall be so accelerated if such acceleration shall cause the City to default in the payment of any obligation of the City relating to the Pledged Revenues or the Project. Nothing contained herein, in connection with the Pledged Revenues received in any Fiscal Year, requires the accumulation in any account for the payment of Bond Requirements due in connection with any series of bonds or other securities payable from the Pledged Revenues and heretofore, herein or hereafter authorized, in excess of the Bond Requirements required to be accumulated in that fiscal year, and of any reserves required to be accumulated and maintained therefor, and of any existing deficiencies, and payable from such account, as the case may be, except as may be otherwise provided in Section 604 or elsewhere herein.

Section 709 Payment of Securities Requirements. The moneys credited to any account designated in Article VI hereof for the payment of the Bond Requirements due in connection with any series of bonds or other securities payable from the Pledged Revenues and heretofore, herein or hereafter authorized shall be used, without requisition, voucher, warrant or further order or authority (other than is contained herein), or any other preliminaries, to pay promptly the Bond Requirements payable from such account as such bonds or other securities become due, upon the respective interest payment dates and Redemption Dates, if any, on which the City is obligated to pay the bonds or other securities, or upon the respective interest payment and maturity dates of such bonds or other securities, as provided therefor herein or otherwise, except to the extent any other moneys are available therefor, including, without limitation, moneys accounted for in the Bond Fund.

Section 710 Payment of Redemption Premiums. Notwithstanding any other provision herein, this Ordinance requires the accumulation in any account designated in Article VI hereof for the payment of any series of bonds or other securities payable from the Pledged Revenues of amounts sufficient to pay not only the principal thereof and interest thereon payable from such account but also the redemption premiums due in connection therewith, if any, as the same become due, whenever the City shall have exercised or shall have obligated itself to exercise a prior redemption option relating thereto, except to the extent provision is otherwise made therefor, if any redemption premium is due in connection therewith. In that event moneys shall be deposited into such account in due season for the payment of all such Bond Requirements without default as the same become due.

ARTICLE VIII.

SECURITIES LIENS AND ADDITIONAL SECURITIES

Section 801 Lien of Bonds. The Bonds authorized herein constitute an irrevocable lien (but not necessarily an exclusive lien) upon the Pledged Revenues, subject to and after any superior liens upon such Pledged Revenues of any Superior Bonds or Superior Securities and on a parity with the parity liens upon such Pledged Revenues of the Outstanding Prior Bonds and any other Parity Bonds or Parity Securities.

Section 802 Equality of Bonds. The Bonds, the Outstanding Parity Securities and any Parity Securities hereafter authorized to be issued and from time to time Outstanding are equally and ratably secured by a lien on the Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Pledged Revenues, regardless of the time or times of the issuance of the Bonds and any other such securities, it being the intention of the City that there shall be no priority among the Bonds and any such Parity Securities, regardless of the fact that they may be actually issued and delivered at different times.

Section 803 Issuance of Superior or Parity Securities. Nothing herein, subject to the limitations stated in Sections 806, 811 and 812 hereof, prevents the issuance by the City of additional bonds or other additional securities payable from the Pledged Revenues and constituting a lien thereon superior to or on a parity with, the lien thereon of the Bonds, nor prevents the issuance of bonds or other securities refunding all or a part of the Bonds (or funding or refunding any other then Outstanding securities payable from Pledged Revenues), except as provided in Sections 807 through 812 hereof; but before any such additional superior or Parity Bonds or other additional superior or Parity Securities are authorized or actually issued (excluding any superior or parity refunding securities other than any securities refunding Subordinate Bonds or other Subordinate Securities, as permitted in Section 810C hereof):

A. Absence of Default. At the time of the adoption of the supplemental instrument authorizing the issuance of the additional securities, the City shall not be in default in making any payments required by Sections 604, 606 or 607 hereof with respect to any superior or Parity Securities.

B. Earnings Test. Except as hereinafter otherwise provided: (1) the Pledged Revenues derived in the Fiscal Year immediately preceding the date of the issuance of the

additional superior or Parity Securities shall have been at least sufficient to pay an amount equal to the combined maximum annual principal and interest requirements (to be paid during any one Bond Year, commencing with the Bond Year in which the additional superior or Parity Securities are issued and ending on the first day of the Bond Year in which any then Outstanding Bonds last mature) of the Outstanding Parity Securities, Outstanding Bonds and any other Outstanding superior or Parity Securities of the City and the bonds or other securities proposed to be issued (excluding the reserves therefor); or, (2) the Pledged Revenues estimated by the Finance Director, independent feasibility consultant or an Independent Accountant to be derived in the first five Fiscal Years immediately succeeding the issuance of the other additional superior or Parity Securities proposed to be issued, shall be at least equal to such annual principal and interest requirements to be paid during such Fiscal Years.

C. Adjustment of Pledged Revenues. In any computation of such earnings test as to whether or not additional superior or Parity Securities may be issued as provided in subsection B of this Section, the amount of the Pledged Revenues for the next preceding Fiscal Year shall be decreased and may be increased by the amount of any loss or gain conservatively estimated by the Finance Director, independent feasibility consultant or Independent Accountant making the computations under this Section, which loss or gain results from any change in rate of levy of the taxes and impositions provided in the Pledged Distributed Local Tax Act which will result in a change in the amount of Pledged Revenues which change took effect during the next preceding Fiscal Year or thereafter prior to the issuance of such superior or Parity Securities, as if such modified rate shall have been in effect during the entire next preceding Fiscal Year, if such change shall have been made before the computation of the designated earnings test but made in the same Fiscal Year as the computation is made or in the next preceding Fiscal Year.

Section 804 Certification of Revenues. A written certification or written opinion by the Finance Director, an independent feasibility consultant or an Independent Accountant, based upon estimates thereby as provided in Section 803B and Section 803C hereof, that the annual revenues when adjusted as hereinabove provided in Section 803C hereof, are sufficient to pay such amounts as provided in Section 803B hereof, shall be conclusively presumed to be accurate in determining the right of the City to authorize, issue, sell and deliver additional bonds or additional securities superior to or on a parity with the Bonds.

Section 805 Subordinate Securities Permitted. Nothing herein, subject to the limitations stated in Sections 811 and 812 hereof, prevents the City from issuing additional bonds or other additional securities payable from the Pledged Revenues having a lien thereon subordinate, inferior and junior to the lien thereon of the Bonds.

Section 806 Superior Securities Permitted. Nothing herein, subject to the requirements stated in this Article VIII hereof, prevents the City from issuing additional bonds or other additional securities payable from the Pledged Revenues having a lien thereon prior and superior to the lien thereon of the Bonds; however, such additional Superior Bonds or other additional Superior Securities shall not be issued as general obligations of the City.

Section 807 Issuance of Refunding Securities. At any time after the Bonds, or any part thereof, are issued and remain Outstanding, if the City shall find it desirable to refund any Outstanding Bonds or other Outstanding securities payable from and constituting a lien upon any Pledged Revenues, such Bonds or other securities, or any part thereof, may be refunded only if the Bonds or other securities at the time or times of their required surrender for payment shall then mature or shall be then callable for prior redemption for the purpose of refunding them at the City's option upon proper call, unless the owner or owners of all such Outstanding Bonds or other securities consent to such surrender and payment, regardless of whether the priority of the lien for the payment of the refunding securities on the Pledged Revenues is changed (except as provided in Sections 806 and 808 through 812 hereof).

Section 808 Partial Refundings. The refunding bonds or other refunding securities so issued, unless issued as Subordinate Securities, shall enjoy complete equality of lien with the portion of any securities of the same issue which is not refunded, if there is any; and the owner or owners of the refunding securities shall be subrogated to all of the rights and privileges enjoyed by the owner or owners of the unrefunded securities of the same issue partially refunded by the refunding securities.

Section 809 Limitations Upon Refundings. Any refunding bonds or other refunding securities payable from any Pledged Revenues shall be issued with such details as the City may by instrument provide, subject to the provisions of Sections 811 and 812 hereof, and subject to the inclusion of any such rights and privileges designated in Section 808 hereof, but without any impairment of any contractual obligation imposed upon the City by any

proceedings authorizing the issuance of any unrefunded portion of the Outstanding securities of any one or more issues (including, without limitation, the Bonds).

Section 810 Protection of Securities Not Refunded. If only a part of the Outstanding Bonds and other Outstanding securities of any issue or issues payable from the Pledged Revenues is refunded, then such securities may not be refunded without the consent of the owner or owners of the unrefunded portion of such securities:

A. Requirements Not Increased. Unless the refunding securities do not increase for any Bond Year the annual principal and interest requirements evidenced by the refunding securities and by the Outstanding securities not refunded on and before the last maturity date or last Redemption Date, if any, whichever is later, if any, of the unrefunded securities, and unless the lien of any refunding bonds or other refunding securities on the Pledged Revenues is not raised to a higher priority than the lien thereon of the bonds or other securities thereby refunded; or

B. Subordinate Lien. Unless the lien on any Pledged Revenues for the payment of the refunding securities is subordinate to each such lien for the payment of any securities not refunded; or

C. Default and Earnings Test. Unless the refunding bonds or other refunding securities are issued in compliance with Section 803 hereof (including subsections A through C thereof) and Section 804 hereof.

Section 811 Payment Dates of Additional Securities. Any additional superior, parity or Subordinate Bonds or other additional superior, parity or Subordinate Securities (including, without limitation, any funding or refunding securities) issued in compliance with the terms hereof shall bear interest payable at the times and shall mature on the dates designated by the City in the Supplemental Ordinance authorizing such securities as provided in Section 812 hereof.

Section 812 Supplemental Ordinance. Additional bonds or other additional securities payable from the Pledged Revenues shall be issued only after authorization thereof by a supplemental instrument of the City stating the purpose or purposes of the issuance of the additional bonds or other additional securities, directing the application of the proceeds thereof to such purpose or purposes, directing the execution thereof, and fixing and determining the date, principal amount, maturity or maturities, designation and numbers thereof, the

maximum rate or rates of interest to be borne thereby, any prior redemption privileges of the City with respect thereto and other provisions thereof not in conflict with this Ordinance. All additional bonds or other additional securities shall bear such date, shall bear such numbers and series designation, letters or symbols prefixed to their numbers distinguishing them from each other security, shall be payable at such place or places at such times, may be subject to redemption prior to maturity on such terms and conditions, and shall bear interest at such rate or at such different and varying rates per annum, as may be fixed by instrument or other document of the City.

ARTICLE IX.

MISCELLANEOUS PROTECTIVE COVENANTS

Section 901 General. The City hereby particularly covenants and agrees with the owners of the Bonds and makes provisions which shall be a part of its contract with such owners to the effect and with the purposes set forth in the following provisions and sections of this article.

Section 902 Performance of Duties. The City shall faithfully and punctually perform or cause to be performed all duties with respect to the Pledged Revenues and the Project required by the Constitution and laws of the State and the various resolutions, ordinances and other instruments of the City, including, without limitation, the proper segregation of the proceeds of the Bonds and the Pledged Revenues and their application from time to time to the respective accounts provided therefor.

Section 903 Further Assurances. At any and all times the City, except when otherwise required by law, shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge, deliver and file or record all and every such further instruments, acts, deeds, conveyances, assignments, transfers, other documents and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, the Pledged Revenues, and other moneys and accounts hereby pledged or assigned, or which the City may hereafter become bound to pledge or to assign, or as may be reasonable and required to carry out the purposes of this Ordinance and to comply with the Project Act, the Bond Act and all laws supplemental thereto. The City shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Pledged Revenues and other moneys and accounts pledged hereunder and all the rights of every owner of any Bonds against all claims and demands of all Persons whomsoever.

Section 904 Conditions Precedent. Upon the date of issuance of any Bonds, all conditions, acts and things required by the Constitution or statutes of the State, including without limitation, the Project Act and the Bond Act, or this Ordinance, to exist, to have happened, and to have been performed precedent to or in the issuance of the Bonds shall exist, have happened, and have been performed; and the Bonds, together with all other

obligations of the City, shall not contravene any debt or other limitation prescribed by the State Constitution or statutes.

Section 905 Covenant to Perform. The City shall observe and perform all of the terms and conditions contained in this Ordinance and the Project Act, the Bond Act and all laws supplemental thereto and shall comply with all valid acts, rules, regulations, orders and directives of any legislative, executive, administrative or judicial body applicable to the Project, to any such other facilities, or to the City.

Section 906 Protective Security. The City and the officers, agents and employees of the City shall not take any action in such manner or to such extent as might prejudice the security for the payment of the Bond Requirements of the Bonds and any other securities payable from the Pledged Revenues according to the terms thereof. No contract shall be entered into nor any other action taken by which the rights of any owner of any Bond or other security payable from the Pledged Revenues might be prejudicially and materially impaired or diminished.

Section 907 Accumulation of Interest Claims. In order to prevent any accumulation of coupons or claims for interest after maturity, the City shall not directly or indirectly extend or assent to the extension of the time for the payment of any coupon or claim for interest on any of the Bonds or any other securities payable from the Pledged Revenues; and the City shall not directly or indirectly be a party to or approve any arrangements for any such extension or for the purpose of keeping alive any of such coupons or other claims for interest. If the time for the payment of any such coupons or of any other such installment of interest shall be extended in contravention of the foregoing provisions, such coupon or installment or installments of interest after such extension or arrangement shall not be entitled in case of default hereunder to the benefit or the security of this Ordinance, except upon the prior payment in full of the principal of all Bonds and any such other securities then Outstanding and of all matured interest on such securities the payment of which has not been extended.

Section 908 Prompt Payment of Bonds. The City shall promptly pay the Bond Requirements of every Bond issued hereunder and secured hereby at the places, on the dates, and in the manner specified herein and in the Bonds according to the true intent and meaning hereof.

Section 909 Use of Bond Fund. The Bond Fund shall be used solely, and the moneys credited to such account are hereby pledged, for the purpose of paying the Bond Requirements of the Bonds, subject to the provisions concerning surplus moneys in Sections 605, 608 and 1001 hereof.

Section 910 Additional Securities. Any other securities hereafter authorized to be issued and payable from the Pledged Revenues shall not hereafter be issued, unless the additional securities are also issued in conformance with the provisions of Articles VI and VIII hereof.

Section 911 Other Liens. Other than as provided herein, there are no liens or encumbrances of any nature whatsoever on or against the Project, or any part thereof, or on or against the Pledged Revenues derived or to be derived.

Section 912 Corporate Existence. The City shall maintain its corporate identity and existence so long as any of the Bonds remain Outstanding, unless another body corporate and politic by operation of law succeeds to the powers, privileges, rights, liabilities, disabilities, duties and immunities of the City and is obligated by law to fix and collect the Pledged Revenues as herein provided without adversely affecting to any substantial degree at any time the privileges and rights of any owner of any Outstanding Bond.

Section 913 City Treasurer's Report. If the City defaults in paying promptly the Bond Requirements of the Bonds and any other securities payable from the Pledged Revenues as the same fall due, or in the keeping of any covenants herein contained, and if such default continues for a period of 60 days, or if the Pledged Revenues in any Fiscal Year fail to equal at least the amount of the Bond Requirements of the Outstanding Bonds and any other securities (including all reserves therefor specified in the authorizing proceedings) payable from the Pledged Revenues in any such Bond Year, the City Treasurer shall (a) submit to the Council a report on such deficiency and a proposal setting forth a plan to produce Pledged Revenues in the following Fiscal Year sufficient to pay such amounts, to the extent practicable and (b) submit to the Council quarterly reports on the progress made in implementing the plan so long as such default continues or so long as the Pledged Revenues are less than the amount hereinabove designated in this Section.

Section 914 Budgets. The City and officials of the City shall annually and at such other times as may be provided by law prepare and adopt a budget relating to the Project.

Section 915 Amendments of Pledged Distributed Local Tax Act. The City shall not consent to any amendment of the Pledged Distributed Local Tax Act which would materially adversely affect the owners of the Bonds.

Section 916 Records. So long as any of the Bonds and any other securities payable from the Pledged Revenues remain Outstanding, proper books of record and account shall be kept by the City, separate and apart from all other records and accounts, showing complete and correct entries of all transactions relating to the Project or the Pledged Revenues, or to both. Such books shall include (but not necessarily be limited to) monthly records showing:

- A. Receipts. The revenues received from the Pledged Revenues, and
- B. Expenses. A detailed statement of the expenditures from the Pledged Revenues.

Section 917 Maintenance and Inspection of Records. All requisitions, requests, certificates, opinions and other documents received by any individual on behalf of the City in connection with the Project under the provisions of this Ordinance shall be retained in the City's official records. Any owner of any of the Bonds or any other securities payable from the Pledged Revenues, or any duly authorized agent or agents of such owner, or the Underwriter, shall have the right at all reasonable times to inspect all records, accounts and data relating thereto, concerning the Project and the Pledged Revenues, to make copies of such records, accounts and data.

Section 918 Tax Levies. The City annually shall levy, or cause to be levied, General Taxes on all taxable property in the City fully sufficient to pay the Bond Requirements of Outstanding Bonds (and any other indebtedness or other obligations of the City), except to the extent other revenues are available therefor, including, without limitation, the Pledged Revenues pledged for the payment of the Bonds, as the Bond Requirements accrue, reasonable allowance being made for delinquent tax collections anticipated at the time of each levy, at the time and in the manner provided by law for levying other Taxes; and the City and the Council shall require the officers of the City to levy, extend, and collect General Taxes in the

manner provided by law for the purpose of creating funds for the payment of the Bond Requirements of the Bonds, other indebtedness, or general obligations. General Taxes for the Bonds, when collected, shall be kept for and applied only to the payment of the Bond Requirements of the Bonds, as herein provided.

Section 919 Completion of Project. The City, with the proceeds derived from the sale of the Bonds and any other available moneys, shall proceed to cause the Project to be effected without delay to the best of the City's ability and with due diligence, as herein provided.

Section 920 Tax Covenant. The City covenants for the benefit of the owners of the Bonds that it will not take any action or omit to take any action with respect to the Bonds, the proceeds thereof, any other funds of the City or any project financed or refinanced with the proceeds of the Bonds if such action or omission (i) would cause the interest on the Bonds to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Tax Code, or (ii) would cause interest on the Bonds to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Tax Code except to the extent such interest is required to be included in the adjusted current earnings adjustment applicable to corporations under Section 56 of the Tax Code in calculating corporate alternative minimum taxable income. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the Bonds until the date on which all obligations of the City in fulfilling the above covenant under the Tax Code have been met.

Section 921 Provision of Liquidity Facility. The City covenants for the benefit of the owners of the Bonds that it will use its best efforts to provide a Liquidity Facility as long as the Bonds are in the Daily Mode, the Weekly Mode or the Unit Pricing Mode. A Liquidity Facility and a Credit Facility may be issued as a single facility.

ARTICLE X.

MISCELLANEOUS

Section 1001 Defeasance. When all Bond Requirements of any Bond have been duly paid, the pledge and lien and all obligations hereunder as to that Bond shall thereby be discharged and the Bond shall no longer be deemed to be Outstanding within the meaning of this Ordinance. There shall be deemed to be due payment of any Outstanding Bond or other security when the City has placed in escrow or in trust with a trust bank located within or without the State, an amount sufficient (including the known minimum yield available for such purpose from Defeasance Securities in which such amount wholly or in part may be initially invested) to meet all Bond Requirements of the Bond or other security, as the same become due to the final maturity of the Bond or other security, or upon any Redemption Date as of which the City shall have exercised or shall have obligated itself to exercise its prior redemption option by a call of the Bond or other security for payment then. The Defeasance Securities shall become due before the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the City and the bank at the time of the creation of the escrow or trust, or the Defeasance Securities shall be subject to redemption at the option of the owners thereof to assure availability as so needed to meet the schedule. The Paying Agent shall notify the Rating Agencies of any defeasance of the Bonds.

A Bond (other than a Fixed Rate Bond) shall be deemed to be paid within the meaning of this Section only if (x)(A) such Bond is called for redemption on or prior to the next date upon which such Bond is subject to purchase pursuant to Sections 317 through 321, inclusive, hereof, and (B) the Paying Agent and the City receive evidence from independent certified public accountants satisfactory to the Paying Agent that the moneys and Defeasance Securities deposited with the Paying Agent or other trust bank pursuant to this Section are in an amount sufficient to pay the purchase price of the Bonds which may be tendered for purchase pursuant to Sections 317 through 321, inclusive, hereof during the period prior to payment in full of the Bond Requirements of such Bonds, in which case the Bonds purchased with the moneys deposited with the Paying Agent or other Trust Bank will be canceled; and (y) the City waives, to the satisfaction of the Paying Agent, its right to convert the method for determining the

interest rate borne by such Bond pursuant to Section 311 hereof and a verification report delivered by independent certified accountants confirms that the moneys and Defeasance Securities deposited with the Paying Agent or other Trust Bank for such purpose pursuant to and subject to the provisions of this Section will be sufficient to pay in full (in addition to the principal of such Bonds) all interest which may accrue on such Bond until its final payment.

To accomplish the discharge of liability in respect of the Bonds, the City shall cause to be delivered (a) a report of an independent firm of nationally recognized certified public accountants or such other accountant verifying the sufficiency of the escrow established to pay the Bonds in full on the maturity, redemption or payment date ("Verification"), (b) an escrow agreement, and (c) an opinion of bond counsel to the effect that the Bonds are no longer "Outstanding" under this Ordinance; each Verification and defeasance opinion shall be acceptable in form and substance to the City, and shall be addressed to the City. In the event a forward purchase agreement is to be employed in the refunding of Bonds, such agreement shall be accompanied by such opinions of counsel as may be required by the City. Nothing herein contained shall be deemed to limit or prevent the defeasance of less than all of the Outstanding Bonds from any moneys available therefor.

Section 1002 Delegated Powers. The Mayor, the City Clerk and City Treasurer, and other officers and agents of the City hereby are authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including, without limitation:

A. Printing Bonds. The printing of the Bonds including, if applicable, a statement of insurance pertaining to the Bonds; and

B. Final Certificates. The execution of such certificates as may be reasonably required by the Underwriter, relating, inter alia, to

- (1) The signing of the Bonds,
- (2) The tenure and identity of the officials of the City,
- (3) The delivery of the Bonds and the receipt of the bond purchase price,
- (4) The exclusion of the interest on the Bonds from gross income for federal income tax purposes,

(5) If it is in accordance with fact, the absence of litigation, pending or threatened, affecting the validity therefor,

(6) The accuracy and completeness of the statements made in the Final Official Statement, and

(7) The execution and delivery of the Purchase Agreement, the Tender Agent Agreement, the Paying Agent Agreement and the Remarketing Agreement by the Finance Director and the execution of the Reimbursement Agreement, including the Pledge Agreement attached thereto, using the manual signatures of the Mayor and the City Treasurer, attested by the City Clerk with the seal of the City in substantially the forms on file with the City Clerk with such changes as are approved by the officers executing such documents whose execution thereof shall be conclusive evidence of such officers consent to such changes.

Section 1003 Statute of Limitations. No action or suit based upon the Bonds or other obligation of the City shall be commenced after it is barred by any statute of limitations relating thereto. Any trust or fiduciary relationship between the City and the owner of any Bonds or other obligee regarding any such other obligation shall be conclusively presumed to have been repudiated on the maturity date or other due date thereof unless the Bonds are presented for payment or demand for payment of any such other obligation is otherwise made before the expiration of the applicable limitation period. Any moneys from whatever source derived remaining in any account reserved, pledged or otherwise held for the payment of any such obligation, action or suit for the collection of which has been barred, shall revert to the Income Fund, unless the City shall otherwise provide by instrument of the City. Nothing herein prevents the payment of any such obligation after any action or suit for its collection has been barred if the City deems it in the best interests of the public to do so and orders such payment to be made.

Section 1004 Evidence of Ownership. Any request, consent or other instrument which this Ordinance may require or may permit to be signed and to be executed by the owner of any Bonds or other securities may be in one or more instruments of similar tenor and shall be signed or shall be executed by each such owner in person or by his or her attorney appointed in writing. Proof of the execution of any such instrument or of an instrument appointing any such attorney, or the holding by any Person of the securities, shall be sufficient

for any purpose of this Ordinance (except as otherwise herein expressly provided) if made in the following manner, but the City may, nevertheless, in its discretion require further or other proof in cases when it deems the same desirable:

A. Proof of Execution. The fact and the date of the execution by any owner of any Bonds or other securities or his or her attorney of such instrument may be provided by the certificate, which need not be acknowledged or verified, of an officer of a bank or trust company satisfactory to the Paying Agent and Registrar or of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the individual signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before the notary public or other officer; the authority of the individual or individuals executing any such instrument on behalf of a corporate owner of any securities may be established without further proof if the instrument is signed by an individual purporting to be the president or a vice president of the corporation with a corporate seal affixed and attested by an individual purporting to be its secretary or an assistant secretary; and the authority of any Person or Persons executing any such instrument in any fiduciary or representative capacity may be established without further proof if the instrument is signed by a Person or Persons purporting to act in such fiduciary or representative capacity; and

B. Proof of Ownership. The ownership of any of the Bonds or other securities held by any Persons executing any instrument as a holder of securities, and the numbers, date and other identification thereof, together with the date of his or her holding the securities, shall be proved by the registration records at the City kept by the Registrar.

Section 1005 Warranty upon Issuance of Bonds. Any Bonds authorized as herein provided, when duly executed and delivered for the purpose provided for in this Ordinance shall constitute a warranty by and on behalf of the City for the benefit of each and every future holder of any of the Bonds that the Bonds have been issued for a valuable consideration in full conformity with law.

Section 1006 Immunities of Underwriter. The Underwriter and any associate thereof are under no obligation to any holder of the Bonds for any action that they may or may not take or in respect of anything that they may or may not do by reason of any information contained in any reports or other documents received by them under the provisions

of this Ordinance. The immunities and exemptions from liability of the Underwriter and any associate thereof hereunder extend to their partners, directors, successors, employees and agents.

Section 1007 Police Power. Nothing herein prohibits or otherwise limits or inhibits the exercise by the Federal Government, the State, any agency thereof or any public body thereof, including, without limitation, the City, of the police power, i.e., essential governmental powers for the public welfare. The provisions hereof are subject to any proper exercise hereafter of the police power thereby. The City cannot contract away the police power thereof nor limit or inhibit by contract the proper exercise of the police power thereby, and this Ordinance does not purport to do so.

Section 1008 Qualifications of Registrar and Paying Agent. Each of the Registrar and Paying Agent and each successor thereto shall be a commercial bank with trust powers or trust company duly organized under the laws of the United States of America or any state or territory thereof, and authorized by law to perform all duties imposed upon it hereunder.

Section 1009 Replacement of Registrar or Paying Agent. If the Registrar or Paying Agent so appointed shall resign, or if the City shall reasonably determine that the Registrar or Paying Agent has become incapable of performing its duties hereunder, the City may, upon notice mailed to each owner of any Bond at his or her address last shown on the registration records, appoint a successor Registrar or Paying Agent or both. Every such successor Registrar or Paying Agent shall be a trust bank. It shall not be required that the same institution serve as both Registrar and Paying Agent hereunder, but the City shall have the right to have the same institution serve as both Registrar and Paying Agent hereunder. No resignation or dismissal of the Registrar or the Paying Agent may take effect until a successor is appointed. Any successor by merger with the Registrar and Paying Agent is automatically appointed as Registrar and Paying Agent hereunder without any further action of the Council, as long as the successor otherwise is qualified to act as Registrar and Paying Agent pursuant to this section. Any bank, trust company or national banking association into which the Registrar and/or Paying Agent or its successor may be converted, merged or with which it may be consolidated, or to which it may sell or otherwise transfer all or substantially all of its corporate trust business shall be the successor of the Registrar and/or Paying Agent under this Ordinance with the same rights, powers, duties and obligations and subject to the same restrictions, limitations, and liabilities as

its predecessor, all without the execution or filing of any papers or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 1010 Provisions Related to the Paying Agent and Registrar.

The Paying Agent and Registrar shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of enforced delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other like occurrences beyond the control of the Paying Agent and Registrar; it being understood that the Paying Agent and Registrar shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Each of the Paying Agent and Registrar agrees to accept and act upon facsimile transmission of written instructions and/or directions pursuant to this Ordinance provided, however, that: (a) subsequent to such facsimile transmission of written instructions and/or directions either of the Paying Agent and/or Registrar shall forthwith receive the originally executed instructions and/or directions, (b) such originally executed instructions and/or directions shall be signed by a person as may be designated and authorized to sign for the party signing such instructions and/or directions, and (c) the Paying Agent and/or Registrar shall have received a current incumbency certificate containing the specimen signature of such designated person.

Section 1011 Continuing Disclosure Undertaking. If (i) the interest rate Mode on the Bonds is converted to a Mode with an Interest Period in excess of 270 days, (ii) the interest rate Mode on the Bonds is converted to a Mode in which the Authorized Denomination is less than \$100,000, or (iii) otherwise required by law, the City agrees that it will enter into a written understanding for the benefit of the beneficial owners of the Bonds in order to comply with or allow the Underwriter to comply with Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (17 CFR Part 240, § 240.15c2-12) (the "Rule").

ARTICLE XI.

PRIVILEGES, RIGHTS AND REMEDIES

Section 1101 Bondowner's Remedies. Each owner of any Bond issued hereunder shall be entitled to all of the privileges, rights and remedies provided or permitted in the Project Act and the Bond Act, and as otherwise provided or permitted by law or in equity or by other statutes, except as provided in Sections 207 through 211 hereof, but subject to the provisions herein concerning the pledge of and the covenants and the other contractual provisions concerning the Pledged Revenues and the proceeds of the Bonds.

Section 1102 Right to Enforce Payment. Nothing in this article affects or impairs the right of any owner of any Bond to enforce the payment of the Bond Requirements due in connection with his Bond or the obligation of the City to pay the Bond Requirements of each Bond to the owner thereof at the time and the place expressed in the Bond.

Section 1103 Events of Default. Each of the following events is hereby declared an "event of default":

A. Nonpayment of Principal and Premium. Payment of the principal of any of the Bonds, or any redemption premium due in connection therewith, or both, is not made when the same becomes due and payable, at maturity, on the mandatory redemption dates specified in Section 303(C) hereof, or by proceedings for optional prior redemption, or otherwise;

B. Nonpayment of Interest. Payment of any installment of interest on the Bonds is not made when the same becomes due and payable;

C. Incapable to Perform. The City for any reason is rendered incapable of fulfilling its obligations hereunder, excluding, however, any obligations pursuant to Section 1011 of this Ordinance;

D. Nonperformance of Duties. The City fails to carry out and to perform (or in good faith to begin the performance of) all acts and things lawfully required to be carried out or to be performed by it under any contract relating to the Pledged Revenues, or otherwise, including, without limitation, this Ordinance, excluding, however, the provisions of Section 1011 of this Ordinance, and such failure continues for 60 days after receipt of notice from the owners of 10% in principal amount of the Bonds then Outstanding;

E. Appointment of Receiver. An order or decree is entered by a court of competent jurisdiction with the consent or acquiescence of the City appointing a receiver or receivers for the Pledged Revenues and any other moneys subject to the lien to secure the payment of the Bonds, or if an order or decree having been entered without the consent or acquiescence of the City is not vacated or discharged or stayed on appeal within 60 days after entry; and

F. Default of Any Provision. The City makes any default in the due and punctual performance of any other of the representations, covenants, conditions, agreements and other provisions contained in the Bonds or in this Ordinance on its part to be performed, except with respect to the provisions of Section 1011 of this Ordinance, and if the default continues for 60 days after written notice specifying the default and requiring the same to be remedied is given to the City by the owners of 10% in principal amount of the Bonds then Outstanding or the Underwriter of the Bonds.

Section 1104 Remedies for Default. Upon the happening and continuance of any of the events of default, as provided in Section 1103 hereof, then and in every case the owner or owners or not less than 10% in principal amount of the Bonds then Outstanding may proceed against the City and its agents, officers and employees to protect and to enforce the rights of any owner of Bonds under this Ordinance by mandamus or by other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for the appointment of a receiver or for the specific performance of any covenant or agreement contained herein or in an award of execution of any power herein granted for the enforcement of any proper, legal or equitable remedy as the owner or owners may deem most effectual to protect and to enforce the rights aforesaid, or thereby to enjoin any act or thing which may be unlawful or in violation of any right of any owner of any Bond, or to require the City to act as it if were the Paying Agent of an express trust, or any combination of such remedies. All proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all owners of the Bonds and any Parity Securities then Outstanding.

Anything in this Ordinance to the contrary notwithstanding including Section 1103(C), for so long as the Credit Facility Provider is not in default of its obligations under the Credit Facility, the Credit Facility Provider (if any), or the Holders of a majority in aggregate principal amount of the Bonds then Outstanding, but with the consent of the Credit Facility

Provider (if any), shall have the right to direct the method of conducting all remedial proceedings hereunder, provided that such direction shall not be otherwise than in accordance with law and the provisions of this Ordinance, and that in no event shall the Bondholders directly have the right to make drawings under the Liquidity Facility.

Section 1105 Receiver's Rights and Privileges. Any receiver appointed in any proceedings to protect the rights of owners hereunder, the consent to any such appointment being hereby expressly granted by the City, receive and apply all Pledged Revenues arising after the appointment of the receiver in the same manner as the City itself might do.

Section 1106 Rights and Privileges Cumulative. The failure of any owner of any Outstanding bond to proceed in any manner herein provided shall not relieve the City or any officers, agents or employees thereof of any liability for failure to perform or carry out any duty, obligation or other commitment. Each right or privilege of any owner is in addition and is cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of any owner shall not be deemed a waiver of any other right or privilege thereof.

Section 1107 Duties upon Defaults. Upon the happening of any of the events of default as provided in Section 1103 hereof, the City, in addition, shall do and perform all proper acts on behalf of and for the owners of the Bonds to protect and to preserve the security created for the payment of their Bonds and to insure the payment of the Bond Requirements promptly as the same become due. During any period of default, so long as any of the Bonds issued hereunder, as to any Bond Requirements, are Outstanding, except to the extent it may be unlawful to do so, all Pledged Revenues shall be paid into the 2006 Bond Fund, or, in the event of securities heretofore and hereafter issued and Outstanding during that period of time on a parity with the Bonds, shall be paid into the bond accounts for all Parity Securities on an equitable and prorated basis, and used for the purposes therein provided. If the City fails or refuses to proceed as in this Section provided, the owner or owners of not less than 10% in principal amount of the Bonds then Outstanding, after demand in writing, may proceed to protect and to enforce the rights of the owners of the Bonds as hereinabove provided; and to that end any such owners of Outstanding Bonds shall be subrogated to all rights of the City under any agreement, lease or other contract the Pledged Revenues entered into before the effective date of this Ordinance or thereafter while any of the Bonds are Outstanding.

Section 1108 Prejudicial Action Unnecessary. Nothing in this article requires the City to proceed as provided therein if the City determines in good faith and without any gross abuse of its discretion that if the City so proceeds it is more likely than not to incur a net loss rather than a net gain, or the action is otherwise likely to affect materially and prejudicially the owners of the Outstanding Bonds and any Outstanding Parity Securities.

ARTICLE XII.

AMENDMENT OF ORDINANCE

Section 1201 Privilege of Amendments. This Ordinance may be amended or supplemented by instruments adopted by the City in accordance with the laws of the State, without receipt by the City of any additional consideration, but with the written consent of the Credit Facility Provider, if any, or the owners of at least a majority in aggregate principal amount of the Bonds authorized by this Ordinance and Outstanding at the time of the adoption of the amendatory or supplemental instrument, excluding, pursuant to paragraph (4) of Section 102B hereof, any Bonds which may then be held or owned for the account of the City, but including such refunding securities as may be issued for the purpose of refunding any of the Bonds if the refunding securities are not owned by the City.

Section 1202 Limitations upon Amendments. No such instrument shall permit without the written consent of all owners of the Bonds adversely and materially affected thereby:

A. Changing Payment. A change in the maturity or in the terms of redemption of the principal of any Outstanding Bond or any installment of interest thereon; or

B. Reducing Return. A reduction in the principal amount of any Bond, the rate of interest thereon, or any redemption premium payable in connection therewith, without the consent of the owner of the bond; or

C. Modifying Any Bond. A reduction of the percentages or otherwise affecting the description of Bonds the consent of the owners of which is required for any modification or amendment; or

D. Priorities between Bonds. The establishment of priorities as between Bonds issued and Outstanding under the provisions of this Ordinance; or

E. Partial Modification. The modifications of or otherwise materially and prejudicially affecting the rights or privileges of the owners of less than all of the Bonds then Outstanding.

Section 1203 Notice of Amendment. Whenever the City proposes to amend or modify this Ordinance under the provisions of this Article, it shall cause notice of

the proposed amendment to be given not later than 30 days prior to the date of the proposed enactment of the amendment by mailing to each:

- (1) The Paying Agent,
- (2) Registrar,
- (3) Tender Agent,
- (4) Remarketing Agent,
- (5) Credit Facility Provider, if any,
- (6) Liquidity Facility Provider, if any,
- (7) The Rating Agencies, and
- (8) The registered owner of each of the Bonds Outstanding.

The notice shall briefly set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory instrument is on file in the office of the City Clerk for public inspection.

Section 1204 Time for Amendment. Whenever at any time within one year from the date of the mailing of such notice there shall be filed in the office of the City Clerk an instrument or instruments executed by the owners of at least a majority in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed amendatory instrument described in the notice and shall specifically consent to and approve the adoption of the instrument, thereupon, but not otherwise, the City may adopt the amendatory instrument and the instrument shall become effective.

Section 1205 Binding Consent to Amendment. If the owners of at least a majority in aggregate principal amount of the Bonds Outstanding, at the time of the adoption of the amendatory instrument, or the predecessors in title of such owners shall have consented to and approved the adoption thereof as herein provided, no owner of any Bond, whether or not the owner shall have consented to or shall have revoked any consent as in this article provided, shall have any right or interest to object to the adoption of the amendatory instrument or to object to any of the terms or provisions therein contained or to the operation thereof or to enjoin the City from taking any action pursuant to the provisions thereof.

Section 1206 Time Consent Binding. Any consent given by the owner of a Bond pursuant to the provisions of this Article shall be irrevocable for a period of 6 months from the date of the mailing of the notice above provided for in Section 1203 hereof, and

shall be conclusive and binding upon all future owners of the same Bond during that period. The consent may be revoked at any time after 6 months from the date of the mailing of the notice, by the owner who gave the consent or by a successor in title by filing notice of the revocation with the City Clerk, but the revocation shall not be effective if the owners of a majority in aggregate principal amount of the Bonds Outstanding, before the attempted revocation, consented to and approved the amendatory instrument referred to in the revocation.

Section 1207 Unanimous Consent. Notwithstanding anything contained in the foregoing provisions of this Article, the terms and the provisions of this Ordinance or of any instrument amendatory hereof or supplemental hereto and the rights and the obligations of the City and of the owners of the Bonds hereunder may be modified or amended in any respect upon the adoption by the City and upon the filing with the City Clerk of an instrument to that effect and with the consent of the owners of all the then Outstanding Bonds, the consent to be given as provided in Section 1005 hereof; and no notice to owners of Bonds, by mailing shall be required as provided in Section 1203 hereof, nor shall the time of consent be limited except as may be provided in the consent.

Section 1208 Exclusion of City's Bonds. At the time of any consent or of other action taken under this Article, the City shall furnish to the City Clerk a certificate of the City Treasurer, upon which the City may rely, describing all Bonds to be excluded, for the purpose of consent or of other action or of any calculation of Outstanding Bonds provided for in this Article, and the City shall not be entitled with respect to such Bonds to give any consent or to take any other action provided for in this Article, pursuant to paragraph (4) of Section 102B hereof.

Section 1209 Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as in this Article provided may bear a notation by endorsement or otherwise in form approved by the City as to the action; and if any Bond so authenticated and delivered shall bear such notation, then upon demand of the owner of any Bond Outstanding at such effective date and upon presentation of his or her Bond for the purpose at the principal office of the Secretary, suitable notation shall be made on the Bond by the Secretary as to any such action. If the City so determines, new Bonds so modified as in the opinion of the City to conform to such action shall be prepared, authenticated and delivered; and

upon demand of the owner of any Bond then Outstanding, shall be exchanged without cost to the owner for Bonds then Outstanding upon surrender of the Bonds.

Section 1210 Proof of Ordinances and Bonds. The fact and date of execution of any instrument under the provisions of this Article, the amount and number of the Bonds held by any Person executing the instrument, and the date of his holding the same may be proved as provided by Section 1004 hereof.

While the Bonds of any Series bear interest at the Auction Rate, Auctions shall be conducted on each Auction Date (other than the Auction Date immediately preceding (i) each Auction Period commencing after the ownership of the Auction Rate Securities is no longer maintained in the book-entry system pursuant to Section 329 of this Ordinance; (ii) each Auction Period commencing after the occurrence and during the continuance of a Payment Default; or (iii) any Auction Period commencing less than two Business Days after the cure of a Payment Default). If there is an Auction Agent on such Auction Date, Auctions shall be conducted in the manner set forth in this Exhibit A.

Section 1.03. Orders by Existing Owners and Potential Owners. (a) Prior to the Submission Deadline on each Auction Date:

(i) each Existing Owner may submit to a Broker-Dealer, in writing or by such other method as shall be reasonably acceptable to such Broker-Dealer, information as to:

(A) the principal amount of the Auction Rate Securities, if any, held by such Existing Owner which such Existing Owner irrevocably commits to continue to hold for the next succeeding Auction Period without regard to the rate determined by the Auction Procedures for such Auction Period,

(B) the principal amount of the Auction Rate Securities, if any, held by such Existing Owner which such Existing Owner irrevocably commits to continue to hold for the next succeeding Auction Period if the rate determined by the Auction Procedures for such Auction Period shall not be less than the rate per annum then specified by such Existing Owner (and which such Existing Owner irrevocably offers to sell on the next succeeding Interest Payment Date if the rate determined by the Auction Procedures for the next succeeding Auction Period shall be less than the rate per annum then specified by such Existing Owner), and/or

(C) the principal amount of the Auction Rate Securities, if any, held by such Existing Owner which such Existing Owner irrevocably offers to sell on the next succeeding Interest Payment Date without regard to the rate determined by the Auction Procedures for the next succeeding Auction Period; and

(ii) for the purpose of implementing the Auctions and thereby to achieve the lowest possible interest rate on the Auction Rate Securities, the Broker-Dealers shall contact Potential Owners, including Persons that are Existing Owners, to determine the principal amount of the Auction Rate Securities, if any, which each such Potential Owner irrevocably offers to purchase if the rate determined by the Auction Procedures for the next succeeding Auction Period is not less than the rate per annum then specified by such Potential Owner.

An Order containing the information referred to in clause (i)(A) of this subsection (a) is herein referred to as a "*Hold Order*," an Order containing the information referred to in clause (i)(B) or clause (ii) of this subsection (a) is herein referred to as a "*Bid*", and an Order containing the information referred to in clause (i)(C) of this subsection (a) is herein referred to as a "*Sell Order*."

(b)(i) A Bid by an Existing Owner shall constitute a revocable offer to sell:

(A) the principal amount of the Auction Rate Securities specified in such Bid if the rate determined by the Auction Procedures on such Auction Date shall be less than the rate specified therein; or

(B) such principal amount or a lesser principal amount of the Auction Rate Securities to be determined as set forth in subsection (a)(v) of Section 1.06 hereof if the rate determined by the Auction Procedures on such Auction Date shall be equal to such specified rate; or

(C) a lesser principal amount of the Auction Rate Securities to be determined as set forth in subsection (b)(iv) of Section 1.06 hereof if such specified rate shall be higher than the Maximum Rate and Sufficient Clearing Bids do not exist.

(ii) A Sell Order by an Existing Owner shall constitute a revocable offer to sell:

(A) the principal amount of the Auction Rate Securities specified in such Sell Order; or

(B) such principal amount or a lesser principal amount of the Auction Rate Securities as set forth in subsection (b)(iv) of Section 1.06 hereof if Sufficient Clearing Bids do not exist.

(iii) A Bid by a Potential Owner shall constitute a revocable offer to purchase:

(A) the principal amount of the Auction Rate Securities specified in such Bid if the rate determined by the Auction Procedures on such Auction Date shall be higher than the rate specified therein; or

(B) such principal amount or a lesser principal amount of the Auction Rate Securities as set forth in subsection (a)(vi) of Section 1.06 hereof if the rate determined by the Auction Procedures on such Auction Date shall be equal to such specified rate.

(c) Anything herein to the contrary notwithstanding:

(i) for purposes of any Auction, any Order which specifies the Auction Rate Securities to be held, purchased or sold in a principal amount which is not \$25,000 or an integral multiple thereof shall be rounded down to the nearest \$25,000, and the Auction Agent shall conduct the Auction Procedures as if such Order had been submitted in such lower amount;

(ii) for purposes of any Auction, any portion of an Order of an Existing Owner which relates to an Auction Rate Security which has been called for redemption on or prior to the Interest Payment Date next succeeding such Auction

shall be invalid with respect to such portion and the Auction Agent shall conduct the Auction Procedures as if such portion of such Order had not been submitted; and

(iii) for purposes of any Auction, no portion of an Auction Rate Security which has been called for redemption on or prior to the Interest Payment Date next succeeding such Auction shall be included in the calculation of Available Bonds for such Auction.

Section 1.04. Submission of Orders by Broker-Dealers to Auction Agent.

(a) Each Broker-Dealer shall submit to the Auction Agent in writing or by such other method as shall be reasonably acceptable to the Auction Agent, prior to the Submission Deadline on each Auction Date, all Orders obtained by such Broker-Dealer and specifying with respect to each Order:

(i) the name of the Bidder placing such Order;

(ii) the aggregate principal amount of the Auction Rate Securities that are the subject of such Order;

(iii) to the extent that such Bidder is an Existing Owner:

(A) the principal amount of the Auction Rate Securities, if any, subject to any Hold Order placed by such Existing Owner;

(B) the principal amount of the Auction Rate Securities, if any, subject to any Bid placed by such Existing Owner and the rate specified in such Bid; and

(C) the principal amount of the Auction Rate Securities, if any, subject to any Sell Order placed by such Existing Owner; and

(iv) to the extent such Bidder is a Potential Owner, the rate specified in such Bid.

(b) If any rate specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one thousandth of one percent (0.001%).

(c) If an Order or Orders covering all of the Auction Rate Securities held by an Existing Owner is not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted on behalf of such Existing Owner covering the principal amount of the Auction Rate Securities held by such Existing Owner and not subject to Orders submitted to the Auction Agent; *provided, however*, that if there is a conversion from one Auction Period to another Auction Period and Orders have not been submitted to the Auction Agent prior to the Submission Deadline covering the aggregate principal amount of the Auction Rate Securities held by such Existing Owner, the Auction Agent shall deem a Sell Order to have been submitted on behalf of such Existing Owner covering the principal amount of the Auction Rate Securities held by such Existing Owner not subject to Orders submitted to the Auction Agent.

(d) If one or more Orders covering in the aggregate more than the principal amount of the Outstanding Auction Rate Securities held by any Existing Owner are submitted to the Auction Agent, such Orders shall be considered valid as follows:

(i) all Hold Orders shall be considered Hold Orders, but only up to and including in the aggregate the principal amount of the Auction Rate Securities held by such Existing Owner;

(ii) (A) any Bid of an Existing Owner shall be considered valid as a Bid of an Existing Owner up to and including the excess of the principal amount of the Auction Rate Securities held by such Existing Owner over the principal amount of the Auction Rate Securities subject to Hold Orders referred to in paragraph (i) above;

(B) subject to clause (A), all Bids of an Existing Owner with the same rate shall be aggregated and considered a single Bid of an Existing Owner up to and including the excess of the principal amount of the Auction Rate Securities held by such Existing Owner over the principal amount of the Auction Rate Securities held by such Existing Owner subject to Hold Orders referred to in paragraph (i) above,

(C) subject to clause (A), if more than one Bid with different rates is submitted on behalf of such Existing Owner, such Bids shall be considered Bids of an Existing Owner in the ascending order of their respective rates up to the amount of the excess of the principal amount of the Auction Rate Securities held by such Existing Owner over the principal amount of the Auction Rate Securities held by such Existing Owner subject to Hold Orders referred to in paragraph (i) above, and

(D) the principal amount, if any, of such Auction Rate Securities subject to Bids not considered to be Bids of an Existing Owner under this paragraph (ii) shall be treated as the subject of a Bid by a Potential Owner; and

(iii) all Sell Orders shall be considered Sell Orders, but only up to and including a principal amount of the Auction Rate Securities equal to the excess of the principal amount of the Auction Rate Securities held by such Existing Owner over the sum of the principal amount of the Auction Rate Securities considered to be subject to Hold Orders pursuant to paragraph (i) above and the principal amount of the Auction Rate Securities considered to be subject to Bids of such Existing Owner pursuant to paragraph (ii) above.

(e) If more than one Bid is submitted on behalf of any Potential Owner, each Bid submitted with the same rate shall be aggregated and considered a single Bid and each Bid submitted with a different rate shall be considered a separate Bid with the rate and the principal amount of the Auction Rate Securities specified therein.

(f) The City, the Issuer, the Trustee, the Market Agent and the Auction Agent shall not be responsible for the failure of any Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Owner or Potential Owner.

Section 1.05. Determination of Auction Rate. (a) Not later than 9:30 a.m., New York City time, on each Auction Date, the Auction Agent shall advise the Broker-Dealers and the Trustee by telephone of the All Hold Rate and the Auction Rate Index.

(b) Promptly after the Submission Deadline on each Auction Date, the Auction Agent shall assemble all Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to as a "Submitted Hold Order," a "Submitted Bid" or a "Submitted Sell Order," as the case may be, and collectively as a "Submitted Order") and shall determine (i) the Available Bonds, (ii) whether there are Sufficient Clearing Bids, and (iii) the Auction Rate.

(c) Promptly after the Auction Agent has made the determinations pursuant to subsection (b) above, the Auction Agent shall advise the Trustee and the City by telephone (promptly confirmed in writing), telex or facsimile transmission of the Auction Rates for the next succeeding Auction Period.

(d) In the event the Auction Agent shall fail to calculate or, for any reason, shall fail to provide the Auction Rate for any Auction Period, (i) if the preceding Auction Period was a period of 35 days or less (other than a daily Auction Period), the new Auction Period shall be the same as the preceding Auction Period and the Auction Rate for the new Auction Period shall be the same as the Auction Rate for the preceding Auction Period, and (ii) if the preceding Auction Period was a period of greater than 35 days, the preceding Auction Period shall be extended to the seventh day following the day that would have been the last day of such Auction Period had it not been extended (or if such seventh day is not followed by a Business Day then to the next succeeding day which is followed by a Business Day) and the Auction Rate in effect for the preceding Auction Period shall continue in effect for the Auction Period as so extended. In the event the Auction Period is extended as set forth in clause (ii) of the preceding sentence, an Auction shall be held on the last Business Day of the Auction Period as so extended.

(e) In the event of a failed change of Mode to a Unit Pricing Mode, a Daily Mode, a Weekly Mode, a Term Rate Mode or a Fixed Rate Mode, or in the event of a failure to change the length of the current Auction Period due to the lack of Sufficient Clearing Bids at the Auction on the Auction Date for the first new Auction Period, the Auction Rate for the next Auction Period shall be the Maximum Rate and the Auction Period shall be a 35-day Auction Period.

In the event the Bonds are no longer held in book-entry form by the Securities Depository, the Auction Rate shall be the Maximum Rate.

Section 1.06. Allocation of the Auction Rate Securities. (a) In the event of Sufficient Clearing Bids, subject to the further provisions of subsections (c) and (d) below, Submitted Orders shall be accepted or rejected in the following order of priority:

(i) the Submitted Hold Order of each Existing Owner shall be accepted, thus requiring each such Existing Owner to continue to hold the Auction Rate Securities that are the subject of such Submitted Hold Order;

- (ii) the Submitted Sell Order of each Existing Owner shall be accepted and the Submitted Bid of each Existing Owner specifying any rate that is higher than the Winning Bid Rate shall be rejected, thus requiring each such Existing Owner to sell the Auction Rate Securities that are the subject of such Submitted Sell Order or Submitted Bid;
- (iii) the Submitted Bid of each Existing Owner specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring each such Existing Owner to continue to hold the Auction Rate Securities that are the subject of such Submitted Bid;
- (iv) the Submitted Bid of each Potential Owner specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring each such Potential Owner to purchase the Auction Rate Securities that are the subject of such Submitted Bid;
- (v) the Submitted Bid of each Existing Owner specifying a rate that is equal to the Winning Bid Rate shall be accepted, thus requiring each such Existing Owner to continue to hold the Auction Rate Securities that are the subject of such Submitted Bid, but only up to and including the principal amount of the Auction Rate Securities obtained by multiplying (A) the aggregate principal amount of the Outstanding Auction Rate Securities which are not the subject of Submitted Hold Orders described in paragraph (i) above or of Submitted Bids described in paragraphs (iii) or (iv) above by (B) a fraction the numerator of which shall be the principal amount of the Outstanding Auction Rate Securities held by such Existing Owner subject to such Submitted Bid and the denominator of which shall be the aggregate principal amount of the Outstanding Auction Rate Securities subject to such Submitted Bids made by all such Existing Owners that specified a rate equal to the Winning Bid Rate, and the remainder, if any, of such Submitted Bid shall be rejected, thus requiring each such Existing Owner to sell any excess amount of the Auction Rate Securities;
- (vi) the Submitted Bid of each Potential Owner specifying a rate that is equal to the Winning Bid Rate shall be accepted, thus requiring each such Potential Owner to purchase the Auction Rate Securities that are the subject of such Submitted Bid, but only in an amount equal to the principal amount of the Auction Rate Securities obtained by multiplying (A) the aggregate principal amount of the Outstanding Auction Rate Securities which are not the subject of Submitted Hold Orders described in paragraph (i) above or of Submitted Bids described in paragraphs (iii), (iv) or (v) above by (B) a fraction the numerator of which shall be the principal amount of the Outstanding Auction Rate Securities subject to such Submitted Bid and the denominator of which shall be the sum of the aggregate principal amount of the Outstanding Auction Rate Securities subject to such Submitted Bids made by all such Potential Owners that specified a rate equal to the Winning Bid Rate, and the remainder of such Submitted Bid shall be rejected; and
- (vii) the Submitted Bid of each Potential Owner specifying any rate that is higher than the Winning Bid Rate shall be rejected.

(b) In the event there are not Sufficient Clearing Bids, subject to the further provisions of subsections (c) and (d) below, Submitted Orders shall be accepted or rejected as follows in the following order of priority:

(i) the Submitted Hold Order of each Existing Owner shall be accepted, thus requiring each such Existing Owner to continue to hold the Auction Rate Securities that are the subject of such Submitted Hold Order;

(ii) the Submitted Bid of each Existing Owner specifying any rate that is not higher than the Maximum Rate shall be accepted, thus requiring each such Existing Owner to continue to hold the Auction Rate Securities that are the subject of such Submitted Bid;

(iii) the Submitted Bid of each Potential Owner specifying any rate that is not higher than the Maximum Rate shall be accepted, thus requiring each such Potential Owner to purchase the Auction Rate Securities that are the subject of such Submitted Bid;

(iv) the Submitted Sell Orders of each Existing Owner shall be accepted as Submitted Sell Orders and the Submitted Bids of each Existing Owner specifying any rate that is higher than the Maximum Rate shall be deemed to be and shall be accepted as Submitted Sell Orders, in both cases only up to and including the principal amount of the Auction Rate Securities obtained by multiplying (A) the aggregate principal amount of the Auction Rate Securities subject to Submitted Bids described in paragraph (iii) of this subsection (b) by (B) a fraction the numerator of which shall be the principal amount of the Outstanding Auction Rate Securities held by such Existing Owner subject to such Submitted Sell Order or such Submitted Bid deemed to be a Submitted Sell Order and the denominator of which shall be the principal amount of the Outstanding Auction Rate Securities subject to all such Submitted Sell Orders and such Submitted Bids deemed to be Submitted Sell Orders, and the remainder of each such Submitted Sell Order or Submitted Bid shall be deemed to be and shall be accepted as a Hold Order and each such Existing Owner shall be required to continue to hold such excess amount of the Auction Rate Securities; and

(v) the Submitted Bid of each Potential Owner specifying any rate that is higher than the Maximum Rate shall be rejected.

(c) If, as a result of the procedures described in subsection (a) or (b) above, any Existing Owner or Potential Owner would be required to purchase or sell an aggregate principal amount of Auction Rate Securities which is not an integral multiple of \$25,000 on any Auction Date, the Auction Agent shall by lot round up or down the principal amount of the Auction Rate Securities to be purchased or sold by any Existing Owner or Potential Owner on such Auction Date so that the aggregate principal amount of the Auction Rate Securities purchased or sold by each Existing Owner or Potential Owner on such Auction Date shall be an integral multiple of \$25,000, even if such allocation results in one or more of such Existing Owners or Potential Owners not purchasing or selling any of the Auction Rate Securities on such Auction Date.

(d) If, as a result of the procedures described in subsection (a) above, any Potential Owner would be required to purchase less than \$25,000 in principal amount of the Auction Rate Securities

on any Auction Date, the Auction Agent shall by lot allocate the Auction Rate Securities for purchase among Potential Owners so that the principal amount of Auction Rate Securities purchased on such Auction Date by any Potential Owner shall be an integral multiple of \$25,000, even if such allocation results in one or more of such Potential Owners not purchasing the Auction Rate Securities on such Auction Date.

Section 1.07. Notice of Auction Rate. (a) On each Auction Date, the Auction Agent shall notify by telephone each Broker-Dealer that participated in the Auction held on such Auction Date and submitted an Order on behalf of any Existing Owner or Potential Owner of:

- (i) the Auction Rate fixed for the succeeding Auction Period;
- (ii) whether Sufficient Clearing Bids existed for the determination of the Winning Bid Rate;
- (iii) if such Broker-Dealer submitted a Bid or a Sell Order on behalf of an Existing Owner, whether such Bid or Sell Order was accepted or rejected, in whole or in part, and the principal amount of the Auction Rate Securities, if any, to be sold by such Existing Owner;
- (iv) if such Broker-Dealer submitted a Bid on behalf of a Potential Owner, whether such Bid was accepted or rejected, in whole or in part, and the principal amount of the Auction Rate Securities, if any, to be purchased by such Potential Owner;
- (v) if the aggregate principal amount of the Auction Rate Securities to be sold by all Existing Owners on whose behalf such Broker-Dealer submitted Bids or Sell Orders is different from the aggregate principal amount of the Auction Rate Securities to be purchased by all Potential Owners on whose behalf such Broker-Dealer submitted a Bid, the name or names of one or more Broker-Dealers (and the Agent Member, if any, of each such other Broker-Dealer) and the principal amount of the Auction Rate Securities to be (A) purchased from one or more Existing Owners on whose behalf such other Broker-Dealers submitted Bids or Sell Orders or (B) sold to one or more Potential Owners on whose behalf such Broker-Dealer submitted Bids; and
- (vi) the immediately succeeding Auction Date.

(b) On each Auction Date, each Broker-Dealer that submitted an Order on behalf of any Existing Owner or Potential Owner shall:

- (i) advise each Existing Owner and Potential Owner on whose behalf such Broker-Dealer submitted a Bid or Sell Order whether such Bid or Sell Order was accepted or rejected, in whole or in part;
- (ii) instruct each Potential Owner on whose behalf such Broker-Dealer submitted a Bid that was accepted, in whole or in part, to instruct such Potential Owner's Agent Member to pay to such Broker-Dealer (or its Agent Member) through the Securities

Depository the amount necessary to purchase the principal amount of the Auction Rate Securities to be purchased pursuant to such Bid against receipt of such Auction Rate Securities;

(iii) instruct each Existing Owner on whose behalf such Broker-Dealer submitted a Sell Order that was accepted or a Bid that was rejected, in whole or in part, to instruct such Existing Owner's Agent Member to deliver to such Broker-Dealer (or its Agent Member) through the Securities Depository the principal amount of the Auction Rate Securities to be sold pursuant to such Bid or Sell Order against payment therefor;

(iv) advise each Existing Owner on whose behalf such Broker-Dealer submitted an Order and each Potential Owner on whose behalf such Broker-Dealer submitted a Bid of the Auction Rate for the next succeeding Auction Period;

(v) advise each Existing Owner on whose behalf such Broker-Dealer submitted an Order of the Auction Date of the next succeeding Auction; and

(vi) advise each Potential Owner on whose behalf such Broker-Dealer submitted a Bid that was accepted, in whole or in part, of the Auction Date of the next succeeding Auction.

(c) On the basis of the information provided to it pursuant to paragraph (a) above, each Broker-Dealer that submitted a Bid or Sell Order shall allocate any funds received by it pursuant to subparagraph (b)(ii) above, and any Auction Rate Securities received by it pursuant to (b)(iii) above, among the Potential Owners, if any, on whose behalf such Broker-Dealer submitted Bids, the Existing Owners, if any, on whose behalf such Broker-Dealer submitted Bids or Sell Orders, and any Broker-Dealer identified to it by the Auction Agent pursuant to subparagraph (a)(v) above.

(d) On the Business Day after the Auction Date, the Securities Depository shall execute the transactions described above, debiting and crediting the accounts of the respective Agent Members as necessary to effect the purchase and sale of Auction Rate Securities as determined in the Auction.

Section 1.08. Auction Rate Index. (a) The Auction Rate Index on any Auction Date with respect to the Auction Rate Securities in any Auction Period of 35 days or less shall be the Seven-Day "AA" Composite Commercial Paper Rate on such date. The Auction Rate Index with respect to the Auction Rate Securities in an Auction Period of more than 35 days shall be the rate on United States Treasury Securities having a maturity which most closely approximates the length of the Auction Period, as last published in *The Bond Buyer*. If either rate is unavailable, the Auction Rate Index shall be a rate agreed to by all Broker-Dealers and the City.

"Seven-Day 'AA' Composite Commercial Paper Rate" on any date of determination means the interest equivalent of the seven-day rate on commercial paper placed on behalf of non-financial issuers whose corporate bonds are rated AA by S&P, or the equivalent of such rating by S&P, as made available on a discount basis or otherwise by the Federal Reserve Bank of New York for the Business Day immediately preceding such date of determination, or if the Federal Reserve Bank of

New York does not make available any such rate, then the arithmetic average of such rates, as quoted on a discount basis or otherwise, by Merrill Lynch, Pierce, Fenner & Smith Incorporated or, in lieu of any thereof, its respective affiliates or successors which are commercial paper dealers (the "Commercial Paper Dealer"), to the Auction Agent for the close of business on the Business Day immediately preceding such date of determination.

For purposes of the definition of "Seven-Day 'AA' Composite Commercial Paper Rate," the "interest equivalent" means the equivalent yield on a 360-day basis of a discount-basis security to an interest-bearing security.

(b) If for any reason on any Auction Date, the Auction Rate Index shall not be determined as hereinabove provided in this Section, the Auction Rate Index shall be the Auction Rate Index for the Auction Period ending on such Auction Date.

(c) The determination of the Auction Rate Index as provided herein shall be conclusive and binding upon the Issuer, the City, the Trustee, the Credit Facility Provider (if any), the Broker-Dealers, the Auction Agent, the Market Agent and the Holders and Beneficial Owners of the Auction Rate Securities.

Section 1.09. Miscellaneous Provisions Regarding Auctions. (a) In this Exhibit A, each reference to the purchase, sale or holding of "Auction Rate Securities" shall refer to beneficial interests in the Auction Rate Securities, unless the context clearly requires otherwise.

(b) During an Auction Period, the provisions of Section 1.03 hereof and this Exhibit A may be amended pursuant to Article XII of this Ordinance. If the amendment is pursuant to Section 1201 of this Ordinance, on the first Auction Date occurring at least 20 days after the date on which the Trustee mailed notice of such proposed amendment to the Holders of the Outstanding Auction Rate Securities affected by such amendment, as required by Section 1201, (i) Sufficient Clearing Bids have been received or all of the Auction Rate Securities are subject to Submitted Hold Orders, and (ii) there is delivered to the Issuer and the Trustee a Favorable Opinion of Bond Counsel with respect to such amendment, the proposed amendment shall be deemed to have been consented to by the Holders of all Outstanding Auction Rate Securities affected by such amendment.

(c) During an Auction Period, so long as the ownership of the Auction Rate Securities is maintained in book-entry form by the Securities Depository, an Existing Owner or a Beneficial Owner may sell, transfer or otherwise dispose of an Auction Rate Security only pursuant to a Bid or Sell Order in accordance with the Auction Procedures or to or through a Broker-Dealer, *provided that* (i) in the case of all transfers other than pursuant to Auctions, such Existing Owner or its Broker-Dealer or its Agent Member advises the Auction Agent of such transfer and (ii) a sale, transfer or other disposition of the Auction Rate Securities from a customer of a Broker-Dealer who is listed on the records of that Broker-Dealer as the Holder of such Auction Rate Securities to that Broker-Dealer or another customer of that Broker-Dealer shall not be deemed to be a sale, transfer or other disposition for purposes of this Section 1.09 if such Broker-Dealer remains the Existing Owner of the Auction Rate Securities so sold, transferred or disposed of immediately after such sale, transfer or disposition.

Section 1.10. Changes in Auction Period or Auction Date.

(a) *Changes in Auction Period.* (i) During any Auction Period, the City may, from time to time on any Interest Payment Date, change the length of the Auction Period with respect to the Auction Rate Securities to a period of any integral multiple of 7 days (*provided* that the length of the first Auction Period after such change in length or a change in Auction Date may be the number of days necessary to result in the immediately following Auction Period having a length which is an integral multiple of seven days) or to a six-month Auction Period in order to accommodate economic and financial factors that may affect or be relevant to the length of the Auction Period and the interest rate borne by such Auction Rate Securities. The City shall initiate the change in the length of the Auction Period by giving written notice at least 10 Business Days prior to the Auction Date for such Auction Period to the Issuer, the Trustee, the Auction Agent, the Market Agent, the Broker-Dealers, the Credit Facility Provider (if any) and the Securities Depository that the Auction Period will change if the conditions described herein are satisfied and the proposed effective date of the change.

(ii) Any such changed Auction Period shall be for a period of any integral multiple of 7 days and shall be for all of the Auction Rate Securities in an Auction Period.

(iii) The change in the length of the Auction Period shall not be allowed unless Sufficient Clearing Bids existed at both the Auction before the date on which the notice of the proposed change was given as provided in this subsection (a) and the Auction immediately preceding the proposed change.

(iv) The change in length of the Auction Period shall take effect only if Sufficient Clearing Bids exist at the Auction on the Auction Date for such first Auction Period. For purposes of the Auction for such first Auction Period only, each Existing Owner shall be deemed to have submitted Sell Orders with respect to all of its Auction Rate Securities except to the extent such Existing Owner submits an Order with respect to such Auction Rate Securities. If the condition referred to in the first sentence of this paragraph (iv) is not met, the Auction Rate for the next Auction Period shall be the Maximum Rate, and the Auction Period shall be a 35-day Auction Period.

(b) *Changes in Auction Date.* During any Auction Period, the Market Agent, with the written consent of the City and the Credit Facility Provider (if any), may specify an earlier Auction Date (but in no event more than five Business Days earlier) than the Auction Date that would otherwise be determined in accordance with the definition of "Auction Date" in order to conform with then current market practice with respect to similar securities or to accommodate economic and financial factors that may affect or be relevant to the day of the week constituting an Auction Date and the interest rate borne on the Auction Rate Securities. The Market Agent shall provide notice of its determination to specify an earlier Auction Date for an Auction Period by means of a written notice delivered at least 45 days prior to the proposed changed Auction Date to the Trustee, the City, the Issuer, the Broker-Dealers, the Auction Agent and the Securities Depository.

Section 1.11. Auction Agent. (a) The initial Auction Agent shall be determined by the Finance Director of the City prior to the conversion of the interest rate Mode on the Bonds to the Auction Mode or any successor appointed by the City with the consent of the Credit Facility

Provider (if any) to perform the functions specified herein. The Auction Agent shall designate its Principal Office and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument, delivered to the Issuer, the Trustee, the City, the Market Agent, the Credit Facility Provider (if any) and each Broker-Dealer which will set forth such procedural and other matters relating to the implementation of the Auction Procedures as shall be satisfactory to the City and the Trustee.

(b) Subject to any applicable governmental restrictions, the Auction Agent may be or become the owner of or trade in the Auction Rate Securities with the same rights as if such entity were not the Auction Agent.

Section 1.12. Qualifications of Auction Agent: Resignation; Removal. The Auction Agent shall be (a) a bank or trust company organized under the laws of the United States or any state or territory thereof having a combined capital stock, surplus and undivided profits of at least \$30,000,000, or (b) a member of NASD having a capitalization of at least \$30,000,000 and, in either case, authorized by law to perform all of the duties imposed upon it by this Ordinance and a member of or a participant in, the Securities Depository. The Auction Agent may at any time resign and be discharged of the duties and obligations created by this Ordinance by giving at least 90 days notice to the Issuer, the City, the Trustee and the Credit Facility Provider (if any). The Auction Agent may be removed at any time by the City by written notice, delivered to the Auction Agent, the Market Agent, the Trustee and the Insurer. Upon any such resignation or removal, the City shall appoint a successor Auction Agent meeting the requirements of this Section. In the event of the resignation or removal of the Auction Agent, the Auction Agent shall pay over, assign and deliver any moneys and Auction Rate Securities held by it in such capacity to its successor. The Auction Agent shall continue to perform its duties hereunder until its successor has been appointed by the City. In the event that the Auction Agent has not been compensated for its services, the Auction Agent may resign by giving 45 days notice to the Issuer, the City, the Market Agent, the Trustee and the Credit Facility Provider (if any) even if a successor Auction Agent has not been appointed.

Section 1.13. Market Agent. The City has appointed Merrill Lynch, Pierce, Fenner & Smith Incorporated, as the initial Market Agent. The Market Agent, including any successor appointed pursuant hereto, shall be a member of the National Association of Securities Dealers, Inc. having capitalization of at least \$25,000,000, and be authorized by law to perform all the duties imposed upon it by this Ordinance. The Market Agent may be removed at any time at the direction of the City, by written notice delivered to the Market Agent, the Auction Agent and the Trustee, provided that such removal shall not take effect until the appointment of a successor Market Agent. The Market Agent may resign upon 30 days' written notice delivered to the City, the Broker-Dealer and the Trustee. The City shall use its best efforts to appoint a successor Market Agent that is a qualified institution, effective as of the effectiveness of any such resignation or removal. Any successor Market Agent must be approved by the Credit Facility Provider (if any).
